this second part of volume iv deals with the cultural achievements of the various peoples of this immense region arts and crafts literature architecture music science medicine and technology

this is a study of central asian history from chinggis to the present with reference to relations with china russia india and western europe and to wider themes of world history an introductory chapter defines central asia in time place and ecology the following chapters relate central asian history to the eight world institutions whose development it is argued constitute world history in the proper sense

while the early history of the steppe nomad is shrouded in obscurity the empire of the steppes brings both the general reader and the specialist the majestic sweep grandeur and the overriding intellectual grasp of grousset s original hailed as a masterpiece when first published in french in 1939 and in english in 1970 this great work of synthesis brings before us the people of the steppes dominated by three mighty figures atilla genghiz khan and tamberlain as they marched through ten centuries of history from the borders of china to the frontiers of the west the book includes nineteen maps a comprehensive index notes and bibliography

adeeb khalid provides a comprehensive history of central asia from the mid 18th century to today shedding light on the historical forces that have shaped the region under imperial and communist rule

modern central asia a primary source reader is an academic resource that discusses the basic

political social and economic evolution of central asian civilization in its colonial 1731 1991 and post colonial 1991 present periods among other aspects of central asian history this source reader discusses resistance and accommodation of native societies to the policies of the imperial center the transformation of central asian societies under tsarist and soviet rule and the history of islam in central asia and its role in nation and state building processes this primary source book will be instrumental for familiarizing students with the nationality policies of imperial russian soviet and post soviet governments as well as the effects produced by these policies on the natives of the region the documents collected in this reader challenge the traditional approach which has viewed central asians as passive recipients of the policies imposed on them by central authorities modern central asia a primary source reader demonstrates the active participation of the indigenous peoples in contact with other peoples by examining the natives ways of organizing societies their pre colonial experience of contact with outsiders and the structure of their subsistence systems the source book will also help students situate the major events and activities of central asia in a global context in addition to the value of this collection to the central asian historical record many of the included texts will be essential for comparative analyses and cross disciplinary approaches in the study of world history

for those who still get their stans mixed up hiro s book provides a detailed and nuanced overview of the region financial times best books of the year the nations of uzbekistan turkmenistan kazakhstan kyrgyzstan tajikistan turkey and iran the majority of them former soviet republics remain little understood in the west even in the post cold war era this book delves into these central asian countries their histories cultures economics politics militaries and relationships with regional neighbors russia in particular ultimately inside central asia is an outstanding in depth introduction to this part of the world full of dependable history telling and analysis the economist

praise for the work of dilip hiro the writing is clear and informative the new york times hiro s mix of lively writing and serious detail should draw in readers choice intriguing analysis publishers weekly an eminent historian kirkus reviews

post cold war historiography of modern central asia has been characterized by a focus on cultural history most of this scholarship rests on a set of assumptions about traditional institutions and social practices which merely reflect the bias of soviet or even tsarist era historiography explorations in the social history of modern central asia addresses the need for a remedy to this state of affairs and thus offers new insights on a number of subjects relating to the social history of the region it includes essays dealing with property relations resource management forms of local administration the constitution of new social groups the construction of identity categories and an enquiry into the landscape of islamic practices among the nomads

originally published in 1899 the heart of asia is a definitive history of central asia from pre history to the contemporary machinations of the russian empire the book is valuable not only because of the quality of the historical work on the early period but also because of the unique picture that it gives of contemporary views on the potential for anglo russian conflict at a time when the russian empire was britain s closest rival for asian hegemony scholars of modern russia and central asia will find much that echoes and indeed drives more recent events includes 34 illustrations and two maps

this volume aims to shed light on the historical political cultural and socio economic development of central asia scholars from within and outside the area discuss a wide range of topics covering historical processes and events on the one hand and present developments of regional and global concern on the other gabriele rasuly paleczek is an assistant professor at the university of

vienna julia katschnig teaches at the university of applied sciences for business and technics at wieselburg austria

central asia's long and complicated history is teeming with diverse cultures and traditions the nations of kazakhstan kyrgyzstan tajikistan turkmenistan and uzbekistan have served as a major cultural crossroad throughout the millennia with many customs colliding and blending along the way in this comprehensive volume students can learn how central asia developed in ancient times and how the nations of the steppes evolved through the middle ages into modern history from the silk road to russian colonization to soviet rule central asia's ever changing nations continue to play an important role in international society today this volume is the perfect addition to any high school public or undergraduate library
