truth repentance glory revivalthis book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the christian life the author s teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of god s word the value of understanding the bible blossoms in the beauty of god s glory as the wisdom of the lord applies his truth to our everyday life a much needed systematic theology is established as doctrine is taught with originality in the power of the holy spirit with dynamic revelation it builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational theologically it is equivalent to a four year bible college biblical truth is taught to equip the christian and minister with significant knowledge and wisdom on over fifty topics many false beliefs and misconceptions are dealt with while god s word is taught in clarity the book shares breakthrough insight on many subjects of the bible that are hard to understand also there is significant teaching on the born again experience the constitution of the christian or who we are in christ the baptism with the holy spirit authentic worship and much more this is a textbook for the christian life many will see it as a great source of sermons curriculum and position papers the titles of the forty four chapters should strike

the interest of any god fearing truth loving christian you will not be disappointed as the holy spirit articulates god s will sorts out ideas clears away confusion and builds solid beliefs and practice you will see a consistency of relationship the bible is a unified masterpiece of truth it s all related most chapters start fresh with new topics and developing themes there are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of god s word while attempting to satisfy the bible college graduate there is much teaching today that has obscured the true meaning and application of scripture placed a veil over the heart of believers and deprived christians of its complete relevant impact upon them therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of god acts 20 27 without imposing agendas nor being controlled by any religious group

memories of a very difficult time in my life living in a city that was destroyed by hurricane katrina my second emotion was one of hope as jerry called for revival in our city state and nation ladies and gentlemen we need revival in america and it must start in our churches fred luter jr pastor franklin avenue baptist church new orleans louisiana president southern baptist convention i ve never seen the need for revival in the church like i see it now i pray for revival every day i did not pray for revival before i read this book nor understand the difference between a revival and evangelization i have also realized that 2 chronicles 7 14 is directed to god s people that includes me and not to unbelievers i believe that many american christians will be touched by god s spirit as they read this book and glean from it that revival must start first with them bob leaman lsu health director of continuing dental education

this is the best way to experience all you were created for in identity crisis you will find power and purpose by putting your faith in the one who can transform your identity even in crisis he can do far beyond anything you can imagine what s the greatest crisis in our world today dr bobby wagner contends it is our inability to believe in the power of god in our lives is it possible to read the bible and believe god does not work powerfully through his people our miraculous identity in christ has not ceased our faith in it has it seems we are losing our faith in our god given identity in the bible in the church and in our world a dramatic transformation takes place when you believe in the power of the gospel as our unbelief continues one more person misses the good news as a result of the nearly 75 million americans who have trusted jesus christ for salvation more than 70 million have never shared the good news in a postmodern and post christian culture in the midst of a crisis of unbelief the only way souls will be touched is if god s people become witnesses of the power of the gospel

as for god his way is perfect the word of the lord is proven he is a shield to all who trust in him for who is god except the lord and who is a rock except our god it is god who arms me with strength and makes my way perfect he makes my feet like the feet of deer and sets me on my high places he teaches my hands to make war so that my arms can bend a bow of bronze you have also given me the shield of your salvation your right hand has held me up your gentleness has made me great psalm 18 30 35 the book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote
