about 8 000 people live in rural topanga canyon in the topanga state park and for over 50 years they have become witnesses to ufo visitations on a scale that rivals hudson valley in new york in ufo s over topanga canyon preston dennett reveals the history of ufos and this peaceful valley the experiences of people range from seeing lights in the sky and alien craft that move in ways no earthly vehicle could do to full on encounters with creatures not of this planet like the darkest x files these meetings turn to terror as people are abducted and returned only to find a section of their lives an entire period of time has been wiped out what happened during this missing time what are these aliens trying to accomplish why is this happening just minutes from a major metropolitan area if you want to find out what is going on and move deeper into the real life mysteries of aliens you must read ufo s over topanga canyon from the publisher

abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps reviewing the work of many hugo and nebula award winners as well as drawing upon popular film and television series like the buck rogers serials abbott s study journeys across the far reaches of science fiction s universe

in works of silver and wool the navajos have established a unique brand of american craft and when their artisans were integrated into the american economy during the late nineteenth century they became part of a complex cultural and economic framework in which their handmade crafts conveyed meanings beyond simple adornment bsumek unravels the layers of meaning that surround the branding of indian made when navajo artisans produced their goods collaborating traders tourist industry personnel and even ethnologists created a vision of navajo culture that had little to do with navajos themselves and as anglos

consumed navajo crafts they also consumed the romantic notion of navajos as primitives perpetuated by the marketplace these processes of production and consumption reinforced each other creating a symbiotic relationship and influencing both mutual anglo navajo perceptions and the ways in which navajos participated in the modern marketplace ultimately bsumek shows that the sale of indian made goods cannot be explained solely through supply and demand it must also reckon with the multiple images and narratives that grew up around the goods themselves integrating consumer culture tourism and history to open new perspectives on our understanding of american indian material culture book jacket

number of exhibits 1

examining the nature of ufo evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of ufos the volume also brings together three bestselling authors david m jacobson budd hopkins and pulitzer prize winner john mack widely known for their writings on the controversial alien abduction phenomenon
