during the french revolution hundreds of domestic and working class women of paris were interrogated examined accused denounced arrested and imprisoned for their rebellious and

often hostile behavior here for the first time in english translation dominique godineau offers an illuminating account of these female revolutionaries as nurturing and tender as they are belligerent and contentious these are not singular female heroines but the collective common women who struggled for bare subsistence by working in factories in shops on the streets and on the home front while still finding time to participate in national assemblies activist gatherings and public demonstrations in their fight for the recognition of women as citizens within a burgeoning democracy relying on exhaustive research in historical archives police accounts and demographic resources at specific moments of the revolutionary period godineau describes the private and public lives of these women within their precise political social historical and gender specific contexts her insightful and engaging observations shed new light on the importance of women as instigators activists militants and decisive revolutionary individuals in the crafting and rechartering of their political and social roles as female citizens within the new republic

clarke garrett examines the differing responses of catholics and protestants and the resulting disturbances roderick phillips describes the wide variation in provincial response to the revolutionary assembly s family reform measures he traces the different reactions of urban and rural residents to such legal measures as liberalization of divorces secularization of birth death and marriage registrations and inheritance reform peasants in central france were already engaged in total revolution when joseph fouché arrived there in late 1793 nancy fitch argues that fouché was formed by his encounter with indigenous peasant radicalism as much as the peasants were influenced by his rhetoric of a new political culture donald sutherland summarizing scholarly debate on the subject argues that in the final analysis the revolution itself was tragically and profoundly alien to many french men and women in 1789

the day of 9 thermidor 27 july 1794 is universally acknowledged as a major turning point in the history of the french revolution maximilien robespierre the most prominent member of the committee of public safety was planning to destroy one of the most dangerous plots that the revolution had faced

uses a travel guide format to show what life was like in paris at the time of the french revolution

contributing to a growing history from below movement peter h amann argues that the major episodes of the french revolution of 1789 can be rightly understood only if the perspective of

the revolutionaries themselves is taken into account his history of the paris club movement of 1848 examines the most significant of the mass organizations through which the tens and perhaps hundreds of thousands of revolutionaries expressed themselves the author pieces together scattered archival sources to reconstruct the origin strategies and main goals of the club movement and the reasons for its ultimate failure to resist successfully the newly installed republican government s drive to restore traditional authority he suggests that the club movement may be viewed in a broader comparative perspective as a characteristic revolutionary phenomenon of a society in transition to modernity originally published in 1975 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

this book explores the city of paris during a time of great upheaval the french revolution it includes stories of political intrigue mob violence and the fall of the monarchy this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

working away in two rooms on an obscure street is restif de la bretonne an eccentric underground writer whose salacious works have earned him the title of the rousseau of the gutter and the voltaire of the chambermades in my revolution alex karmel has brought to life a fascinating man and a turbulent era with absolute authenticity and wry humor the six decisive years of the revolution are seen through restif s eyes his private concerns interwoven with the great upheaval always personal the narrative shows the development of a revolutionary sensibility in his more intimate relations restif the nocturnal spectator displays a frankness that reminds us that sex like revolution is not a twentieth century invention jacket

an unusually compelling work of scholarly synthesis a history of a city of revolution in a revolutionary century garrioch claims that until 1750 paris remained a city characterized by a powerful sense of hierarchy from the mid century on however and with gathering speed economic demographic political and social change swept the city having produced an extremely engaging account of the old corporate society garrioch turns to the forces that relentlessly undermined it john e talbott author of the pen and ink sailor charles middleton and the king s navy 1778 1813 a truly wonderful synthesis of the many historical strands that compose the history of eighteenth century paris in rewriting the history of the french revolution as a more than century long urban metamorphosis garrioch makes a brilliant case for the centrality of paris in the history of france bonnie smith author of the gender of history men women and historical practice

in the february revolution of 1848 french students and their allies from the latin quarter stirred a peaceful crowd at the madeleine into a turbulent mob marching on the chamber of deputies students constructed manned and even commanded barricades throughout paris while medical students cared for the wounded of both sides john g gallagher is the first historian to analyze the crucial role played by these students in the revolution that deposed louis philippe and created the second republic he looks at conditions in the academic community on the eve of the revolution he then traces the role played by students during the course of the revolution and the days after finally he explains why the students who supported the revolution in february turned against the workers and artisans of paris when the barricades were raised again in june in spite of a tradition of revolution these students favored moderate reform not political and social upheaval

in this social history of europe s most famous city during its golden age mansel tells the story of the political turbulence dynamic intrigue violence in the streets and the societal wars that took place in upper class salons 32 page photo insert

excerpt from paris in the revolution and then i have attempted to make myself this reporter who was wanting to the paris of the revolution i have endeavoured to make my way into the clubs to the assembly into the dungeons into the houses of prominent men and to glean there all that history has disdained when he criticises his book on the girondins lamartine remarked that a great part of the interest of his work consisted in this that the men are much more on the stage in it than the things i have says he personified everywhere the events in

the actors that is the way to be always interesting for the men are alive and the things are dead the men have a heart and the things have not one the things are abstract and the men are real about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

johannes willms a historian and journalist recreates the years from 1789 the city on the brink of upheaval to the first world war he masterfully weaves various social political artistic and economic threads into a vivid tapestry allowing the general reader as well as the scholar the rare opportunity to grasp the city in proustian detail one reads not only of the estates the terror and the commune but also of street life and repression social customs napoleonic architecture the growth of trade and commerce work and wages health and hygiene morality class struggles crime and of course art and entertainment
