5 000 000 copies sold worldwide translated in more than 35 languages what is violent communication if violent means acting in ways that result in hurt or harm then much of how we communicate judging others bullying having racial bias blaming finger pointing discriminating speaking without listening criticizing others or ourselves name calling reacting when angry using political rhetoric being defensive or judging

who's good bad or what's right wrong with people could indeed be called violent communication what is nonviolent communication nonviolent communication is the integration of four things consciousness a set of principles that support living a life of compassion collaboration courage and authenticity language understanding how words contribute to connection or distance communication knowing how to ask for what we want how to hear others even in disagreement and how to move toward solutions that work for all means of influence sharing power with others rather than using power over others nonviolent communication serves our desire to do three things increase our ability to live with choice meaning and connection connect empathically with self and others to have more satisfying relationships sharing of resources so everyone is able to benefit

written in a very reader friendly style the book is a practical introduction for parents and teachers to bilingualism straightforward and realistic answers are given to a comprehensive set of frequently asked questions about bilingualism and bilingual education areas covered include family language culture identity reading writing schooling and issues in the third edition there is new or more detailed consideration of moving between countries cultural adaptation identity issues one parent one language opl families pre schools kindergartens nursery schools helping with homework dyslexia language scaffolding multilingualism and trilingualism trilingual families adoption www links articles and books for further reading

just love contains everything the entire universe it describes a love that has been addressed before after all there is essentially nothing new to add to the wisdom of the holy scriptures of both east and west yet the way this love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply just love is expressed by someone who not only knows about the all pervading all sustaining divine force that forms the creation of the universe but who is completely one with it just love is the first major book written with words directly from sri swami vishwananda it contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the divine light in a simple way sri swami vishwananda's message is simple just love yes just love love is all there is love is all you have to do the rest will take care of itself

contains information on a variety of subjects within the field of education statistics including the number of schools and colleges enrollments teachers graduates educational attainment finances federal funds for education libraries international education and research and development

this volume builds on the work of ilse laude cirtautas 1926 2019 a pioneering turkologist who introduced the field of comparative turkic

studies to the us in the 1960s it presents an ongoing dialogue whereby scholars from central and inner asia and the west engage on issues of turkic heritage identity language and literature the discussions enrich scholarship in central and inner asian studies and explore the question who are the turks

books for new testament study by clyde weber votaw v 26 p 271 320 v 37 p 289 352

what intelligent person has never pondered the meaning of life for yuval lurie this is more than a puzzling philosophical question it is a journey and in this book he takes readers on a search that ranges from ancient quests for the purpose of life to the ruminations of postmodern thinkers on meaning he shows that the question about the meaning of life expresses philosophical puzzlement regarding life in general as well as personal concern about one s own life in particular lurie traces the emergence of this question as a modern philosophical quandary riddled with shifts and turns that have arisen over the years in response to it tracking the meaning of life is written as a critical philosophical investigation stretching over several traditions such as analytic philosophy phenomenology and existentialism it maps out a journey that explores pivotal responses to this question drawing especially on the thought of tolstoy wittgenstein sartre and camus and exploring in depth the insights these thinkers offer regarding their own difficulties concerning the meaning of life in the book s four sections lurie discusses tolstoy s challenge to experience the religious and transcendental meaning of life by choosing a simple hardworking existence wittgenstein s focus on ethics and discovering the sense of the world his conclusion that the question of the meaning of life makes no sense and his turning to experience the mystical aspect of the world sartre s positing of freedom as the basis of human life stipulating a personal answer to the question of the meaning of life and camus view of the absurdity of life unalleviated by any personal meaning guided by these views lurie imparts new insight to ideas that underlie our concern with life s meaning such as the difference between attitudes toward life and beliefs and opinions about life the meaning of words versus the meaning of events shared meanings versus personal meanings and the link between ethics and personal identity tracking the meaning of life is no mere dry philosophical study but a journey that dramatically illustrates the poignancy of the quest for meaning showing that along the way it gradually becomes more obvious how personal meaning may be found in the pulsations of everyday life the book offers stimulating reading not only for scholars in philosophy but also for general readers who wish to see how their personal concerns are echoed in modern philosophical thought more than a description of a journey it is a map to anxieties and puzzlements we all face pointing to ideas that can guide readers on their own search for meaning

preparing antiracist teachers fostering antiracism and equity in teacher preparation examines multiple strategies and theories for developing

antiracist attitudes and actions in teachers and teacher candidates this textbook uses critical consciousness as a framework to help practitioners and scholars to facilitate the process of doing antiracist work the book is divided into three sections with part 1 focusing on critical reflection which refers to a social analysis and moral rejection of societal inequities such as social economic racial ethnic and gender inequities that constrain well being and human agency it shows that those who are critically reflective view social problems and inequalities in systemic terms and are therefore better able to address them part 2 examines sociopolitical efficacy which refers to the perceived capacity to effect social and political change by individual and or collective activism part 3 centers on critical action that is individual or collective action taken to change aspects of society such as institutional policies and practices that are perceived to be unjust this is a broad view of activism that can include participation in activities such as voting community organizing and peaceful protests showcasing both usa based and international case studies preparing antiracist teachers will support teacher educators in their work by presenting nuanced and important means of teacher education for antiracism and critical consciousness it will also benefit those studying related courses including teacher education social justice education and multicultural education

this book is a volume in the penn press anniversary collection to mark its 125th anniversary in 2015 the university of pennsylvania press rereleased more than 1 100 titles from penn press s distinguished backlist from 1899 1999 that had fallen out of print spanning an entire century the anniversary collection offers peer reviewed scholarship in a wide range of subject areas
