rhetoric is ubiquitous in modern discourse from arguments delivered in the high court to advertisements disseminated in the high street for the legal and political advocate persuasion is also a professional technique that must be perfected properly to practise each art in contrast with the classical era and the middle ages in which grammar rhetoric and dialectic were basic features of all education modern curricula almost entirely neglect any theoretical study of the methods of rhetoric rediscovering rhetoric re introduces to modern practitioners and students a grasp of the speeches writings and methodologies of the great classical scholars of rhetoric part 1 law and language in the greco roman tradition provides a contextualised introduction to significant theorists of rhetoric in the classical period and consists of four chapters written by practising barristers and a current justice of the federal court of australia part 2 the practice of persuasion comprises essays by practitioners distinguished in their pursuit of legal persuasion one former and two current justices of the high court of australia illuminating their experiences of argument from the perspective of both bench and bar part 3 the politics of persuasion performs a similar function to part 2 in the related domain of politics it includes a chapter by graham

freudenberg former speechwriter for gough whitlam and others together the three parts provide a unique inter disciplinary perspective on the theory and practice of legal and political persuasion published in association with the nsw bar association

to disclose the underlying mystery of the church in relation to christ and sinners james dallen traces the complex development of ecclesial repentance from the church s first centuries to the present time he shows that the church has always worked with sinful members assisting them to live out the implications of their baptismal conversion and recognizing them as members of its assemblies it is in this history the tradition that survives from those who have gone before marked by the sign of faith that the church must find the way to exercise the ministry of reconciliation today and in the future

central topics in medieval logic are here treated in a way that is congenial to the modern reader without compromising historical reliability the achievements of medieval logic are made available to a wider philosophical public then the medievalists themselves the three genres of logica moderna arising in a later middle ages are covered obligations insolubles and consequences the first time these have been treated in such a unified way the articles on obligations look at the role of logical consistence in medieval disputation techniques those on insolubles concentrate on medieval solutions to the liar paradox there is also a systematic account of how medieval authors described the logical content of an inference and how they thought that the validity of an inference could be guaranteed
