the field of life span development in psychology has much to offer those engaged in making disciples and chris kiesling brings those insights to bear in this volume he appropriates the most useful observations from this discipline in light of biblical teaching drawing on more than twenty five years of experience teaching faith development topics in academic and local church settings kiesling assembles a toolkit that will help those in ministry think comprehensively about discipleship at every stage of life taking into account physical cognitive emotional and social aspects of human development from infancy through older adulthood kiesling guides readers in making practical use of these insights in churches and educational settings pastors ministry leaders and educators will benefit from this treatment which brings cutting edge findings from the social sciences into dialogue with scripture theology and practical ministry

if it is true that god is a male then his divinity or deity is expressed in his masculinity yet i am a woman and there are parts of my body such as my breasts my vagina and my womb that are telling a story about god that i have never learned or understood this is an exploration of the significance of a womb that must shed and bleed before it can create how will we engage our body which cyclically bleeds most of our life and can build and birth a human soul how will we honor the living womb that lives and sometimes dies within us this is a book about the theology found in the cycle of the womb which births both life and death every day each one of us is invited to create and every day we make a decision knowing that from our creation can come death or life women s voices have been silenced for a long time as society and the church has quieted their bodies will we courageously choose to listen to the sound of your voice the song of your womb and speak for the world to hear

a holistic approach to the health care of individuals and families this indispensable resource offers specific guidelines for nursing assessment with suggested interventions and health promotion strategies at each developmental stage from birth to death the sixth edition of this popular book provides a critical pathway paradigm for health
