in this gripping account of the power savvy and determination of the lion author mike taliaferro brings to life the biblical analogy of satan as a roaring lion looking for someone to devour to say that mike will wake you up is putting it mildly he will shock you frighten you and help you understand the might of your enemy but he will not leave you in fear he clearly shows god s plan for defeating the enemy who wants to prey on you and on those you love and lead this book will not take long to read but it will change you forever

the first book by up and coming writer and university of california san diego graduate dametrius bedgood it contains poetry that speaks volumes on christianity life and the society at large

dear christianity look i know you meant well and i know you did the best you could but i think it s time that we have an intervention you ve been getting it all wrong i don t just mean the thing with being self righteous and not feeding the hungry or caring for the misfortunate although that s certainly a part of it no it s more than that it s much more and i know you prefer everything to be nice and for there to be only clean language that s part of the problem too you see your failure is so bad that i can t help but use bad words so if you kindly would please give this a read i promise you ll learn a lot about your bible you did not know and you ll never see your faith the same way ever again and maybe then you can get it right for a change from the author of the blog bible studies from an asshole comes this humorous heartfelt and outrageously honest and eye opening work the christian faith may never be the same again

manetho was an egyptian historian and priest from sebennytos who lived during the ptolemaic era approximately during the 3rd century bc his work especially his chronology of the pharaohs is of great interest to egyptologists

priestley explores some of the earliest ancient responses to herodotus histories from the early and middle hellenistic period through discussions of contemporary discourse relating to the persian wars geography literary style and biography it nuances our understanding of how ancient readers reacted to and appropriated the histories
