excerpt from the book of wisdom the greek d104 the latin vulgate and the authorised english version the importance of the septuagint in the study of the new testament cannot be overrated and i trust it will be found that i have not often omitted to note passages and words in the book of wisdom which illustrate the writings of the later covenant many statements and allusions in the book are confirmed by traditions found in the targums these have been gathered from the works of dr ginsburg and etheridge in preparing the commentary great use has been made of the works of c l w grimm and gutberlet the former is too well known and appreciated to need commendation the latter is useful and the writer s judgment can be trusted where it is uninfluenced by the desire to condone the mistakes and interpolations of the latin

vulgate the great commentary of cornelius a lapide has of course been constantly consulted the rev canon churton kindly permitted me to inspect his ms when my own notes were almost completed and i have availed myself of his paraphrase in some few passages dr bissell s work reached me only as my own pages were passing through the press but it does not afford any new light on obscure passages and seems to be chiefly a compilation from german sources about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

swami rama s commentary on one of the most celebrated upanishads serves as an introduction to yoga philosophy

an overview of the wisdom literature of the bible written for those who are new to the wisdom books as well as for those who just want to refresh their memory a synopsis for each book is given the book of job proverbs ecclesiastes psalms song of solomon song of songs wisdom of solomon and ecclesiasticus wisdom of sirach are all covered
