starship victory is on its loneliest mission yet captain maddox and his crew are thousands of light years from earth searching for the dreaded swarm imperium but there are androids among them seeking to use the starship for hidden purposes maddox and the crew are on their own facing perils inside the ship and terrifying alien dangers outside in one of the remotest regions of

the orion arm then they stumble upon the darkest secret of all unless the a i galyan meta sergeant riker and the others can help their beleaguered captain victory is doomed and earth will never learn of the terrible threat gathering in the stellar darkness the lost patrol is the fifth book in the lost starship series

the doomsday machine is coming an ancient superweapon capable of destroying entire planets starship victory runs into a vast machine trapped inside an ion storm captain maddox doesn't know it yet but the meeting isn't an accident there's a traitor aboard ship implementing a secret plan threatening to destroy everything star watch has achieved against the new men now begins a deadly race against a hidden enemy captain maddox the crew and galyan are pitted against the masters of a centuries old conspiracy human existence lies in the balance the lost destroyer is the third book in the lost starship series

star watch defeated the swarm invasion fleet but at a terrible cost in destroyed star systems smashed battleships and billions of dead in the aftermath of the costly victory chaos threatens as worlds leave the commonwealth of planets face mass starvation or succumb to increased piracy the war against the swarm imperium has just begun humanity needs unity or each planet will fall alone brigadier o'hara of star watch intelligence stumbles onto a secret conspiracy someone is trying to destroy the commonwealth from within and they have an alien artifact of incredible power o'hara summons captain maddox although she fears to lose him she knows that maddox and his crew have the best chance of finding the hidden enemy if the captain fails the commonwealth will be powerless to stop its destruction what o'hara doesn't know it would probably break her heart if she did is that she has just sent maddox into the most harrowing battle of his career the lost artifact is the eighth book in the lost starship series

it finally happened commander thrax ti ix created a hyper spatial tube for the swarm imperium across thousands of light years a vast armada of warships is heading for earth to burn the homeworld down to its bedrock as the swarm begins its genocidal campaign against the human race no one not the new men the spacers the wahhabi caliphate or star watch has faced such staggering odds alone or united it makes no difference captain maddox has a last ditch plan he's returning to the null region of last voyage to grab the ancient destroyers hidden there but an immortal entity of evil cunning haunts the vessels if it escapes its prison maddox will have made things infinitely worse this time mankind needs a miracle the lost earth is the seventh book

in the lost starship series

ten thousand years ago a single alien super ship survived a desperate battle the vessel's dying crew set the ai on automatic to defend the smashed rubble of their planet legend has it the faithful ship continues to patrol the empty battlefield obeying its last order throughout the lonely centuries in the here and now earth needs a miracle out of the beyond invade the new men stronger faster and smarter than the old their superior warships and advanced technology destroy every fleet sent to stop them their spies have infiltrated the government and traitors plague earth's military captain maddox of star watch intelligence wonders if the ancient legend could be true would such an old starship be able to face the technology of the new men on the run from killers maddox searches for a group of talented misfits he seeks keith maker a drunken ex strikefighter ace doctor dana rich the clone thief stuck on a prison planet and lieutenant valerie noonan the only person to have faced the new men in battle and survived to tell about it maddox has to find a place hidden in the beyond and bring back a ship no one can enter if he fails the new men will replace the old if he succeeds humanity might just have a fighting chance

the passenger liner the star queen suffered mysterious damage to its jump engines and emerged from hyperspace close to the sun at half light speed on a collision course with earth distress signals were sent out as the ship scorched into the earth's atmosphere to explode devastatingly just before impact 600 years later and 600 light years away the distress call is intercepted by a warship of her majesty's star fleet the distress call is a radio signal presumably because of an ftl coms failure and it is soon realised that its origin is the start of the twentieth century before space travel was discovered

we barely recovered from the first swarm invasion now the bugs have become methodical sending science fleets to study us back home the hive masters are gathering hundreds of thousands of starships to hit us with an avalanche invasion this time not even exploding stars will stop them the egocentric but brilliant professor ludendorff who has a bitter grudge against captain maddox claims he has a plan to outmaneuver the swarm but he's not going to tell star watch unless brigadier mary o'hara one of maddox's closest friends comes alone to listen in person in desperation and knowing that methuselah man ludendorff often has fantastic plans o'hara goes and thus begins a chain reaction of events that will embroil maddox and the crew of victory in a harrowing mission into the great beyond they must risk everything at a builder star gate if they hope to stave off the annihilating swarm fleets from reaching human space and killing everyone the lost star gate is the ninth and longest book so far in the lost starship series

androids used to mingle among us pretending to be human then an alien puppet master altered their programming unknown to us androids began leaving human society burning their clothes and peeling off their skin to reveal the chrome colored bodies underneath they gathered in a system where a star had exploded blowing away the atmosphere of a jupiter like planet the supernova had hurled heavy metals against the remaining core the androids are mining supermetals that can turn ordinary ship weapons and shields into invincible armaments the altered programming includes human genocide which will start with a murderous attack on earth luckily captain maddox finds the enemy system but during a space battle something happens to

hurl victory thousands of light years away into the scutum centaurus spiral arm the crippled starship will take years to reach home again long before that earth will be a radioactive ruin now begins a desperate journey in hostile space that will stretch everyone as maddox strains to reach the lord high admiral in time with knowledge about the coming android attack the lost supernova is the tenth book in the lost starship series

last voyage captain maddox entered a distant star system with a swarm fleet the sheer numbers were staggering a 100 1 advantage against all human spacecraft if the highly aggressive racist insects gained hyper spatial tube technology allowing them to cross a thousand light years in seconds it would mean armageddon for earth star watch desperately needs something powerful to offset the annihilating swarm numbers as if on cue professor ludendorff declares he has discovered the whereabouts of ancient builder technology a tech so potent it could defeat the swarm star watch takes the bait ordering captain maddox to find the lost planet holding the ancient technology ludendorff has a plan involving androids to lure his arch rival methuselah man strand to his doom the crew of starship victory knows nothing of this and thus blindly enters a web of intrigue and danger the captain will need the ai galyan valerie and riker like never before humanity s hope against the coming swarm holocaust rests on the outcome the lost planet is the sixth book in the lost starship series

the 1960s and early 70s saw the evolution of frontier myths even as scholars were renouncing the interpretive value of myths themselves works like joe haldeman s the forever war exemplified that rejection using his experiences during the vietnam war to illustrate the problematic consequences of simple mythic idealism simultaneously americans were playing with expanded and revised versions of familiar frontier myths though in a contemporary context through nasa s lunar missions star trek and gerard k o neill s high frontier this book examines the reasons behind the exclusion of frontier myths to the periphery of scholarly discourse and endeavors to build a new model for understanding their enduring significance this model connects nasa s failed attempts to recycle earlier myths wholesale to star trek s revision of those myths and rejection of the idea of a frontier paradise to o neill s desire to realize such a paradise in earth s orbit this new synthesis defies the negative connotations of frontier myths during the 1960s and 70s and attempts to resuscitate them for relevance in the modern academic context
