this collection of essays by a distinguished group of specialists offers a new and exciting interpretation of riza shah s iran a period of key importance the years between 1921 1941 have until now remained relatively neglected recently however there has been a marked revival of interest in the history of these two decades and this collection brings together some of the best of this recent new scholarship illustrating the diversity and complexity of interpretations to which contemporary scholarship has given rise the collection looks at both the high politics of the new state and at history from below examining some of the fierce controversies which have arisen surrounding such issues as the gender politics of the new regime the nature of its nationalism and its treatment of minorities

today s iran is rarely out of the headlines labelled by george w bush as a part of his axis of evil and perceived as a real nuclear threat by some iran is increasingly seen as an enemy of the west and yet for many iran remains shrouded in mystery and incomprehensible to western analysis modern iran offers a comprehensive analysis and explanation of political social and economic developments in iran during the 20th century since it first published in 2003 modern iran has become a staple for students and lecturers wishing to gain a clear understand of the history of this strategically important middle eastern country the new edition will bring us up to date and will include an analysis of the successes and failures of the khatami presidency an examination of the effect of 9 11 the rise of the reform movement and the efforts to promote islamic democracy the resistance to democratisation among the hardline elites

a history of iran focuses on the shah s rise and fall and the causes of the iranian revolution

a masterfully researched and compelling history of iran from 1501 to 2009 this history of modern iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation it offers a revealing look at how events people and institutions are shaped by currents that sometimes reach back hundreds of years the book covers the complex history of the diverse societies and economies of iran against the background of dynastic changes revolutions civil wars foreign occupation and the rise of the islamic republic abbas amanat combines chronological and thematic approaches exploring events with lasting implications for modern iran and the world drawing on diverse historical scholarship and emphasizing the twentieth century he addresses debates about iran s culture and politics political history is the driving narrative force given impetus by amanat s decades of research and study he layers the book with discussions of literature music and the arts ideology and religion economy and society and cultural identity and heritage

a succinct and highly readable narrative of modern iran from the mid nineteenth century to the present

this is fundamentally a book about change and the politics of managing that change as successive governments and political elites sought and continue to seek to navigate a stable and sustainable route from a perception of tradition to a particular conception of modernity introd

first published in 1980 the events which took place in iran during the time of original publication took the world by surprise a little reflection however will suggest that they were not inexplicable prodigies they constitute rather a manifestation albeit

sudden and astonishing of a social intellectual and political crisis in the throes of which iran has found itself the eleven studies included in this book are devoted to the examination of one or other aspect of this crisis and aim to clarify the origins and character of the crisis

first published in 1985 this is a comprehensive study of the middle east s most strategic country set against the background of the islamic heritage of iran and the rise and fall of the pahlavi dynasty dilip hiro describes the various phases through which the islamic revolution has passed gives an incisive account of the first gulf war and provides an historical survey of iran s relations with the west the soviet bloc and other countries of the region

modern iran since 1797 offers a comprehensive analysis of political social and economic developments in iran since the end of the eighteenth century spanning two centuries the book provides historical context for iran s international relationships and its internal struggle to reconcile itself and its traditions with the modern world the book presents an overview of this crucial period in iran s history its emergence from the political turmoil of the eighteenth century through to its initial encounter with the industrial powers of europe and its attempts to navigate the turbulent waters of european imperialism it assesses the impact of european ideas on the triumph and tragedy of the constitutional revolution which established the political template for the country going forward and against which all other political developments have been measured this new edition has been updated to incorporate new scholarship and research to make a rounded assessment of recent developments and bring the text fully up to date a substantive new prequel has also been added covering the long nineteenth century from 1797 through to 1921 including a fuller and more detailed treatment both of the

constitutional revolution and the events and ideology that underpinned it written in a clear engaging style and highlighting iran as a state and society grappling with the realities of the modern age modern iran since 1797 remains the perfect guide for all those studying the history of modern iran

from the rise of constitutionalism during the rule of despotic qajars foreign invasions the pahlavi regimes destructive politics economic cultural and social modernization efforts and the oil nationalization movement to the iranian revolution its high hopes broken promises repression and intolerance causing national discontent and another socio political upheaval today the history of modern iran has been eventful unstable and turbulent in this textbook ali rahnema draws on his experience teaching and researching on modern iran to render one hundred years of modern iranian politics and history into easy to follow episodic chapters step by step and taking a chronological approach students are given the core information analysis and critical assessment to understand the flow of contemporary iranian history this is a comprehensive and exhaustive guide for undergraduate and graduate level courses on modern iranian history and politics the textbook is complete with the following pedagogical features an initial chapter on how to study iranian history and how to approach historiography images of key individuals discussed in each chapter text boxes throughout to highlight key episodes concepts and ideas three types of exam questions factual and analytical seminar and discussion at the end of each chapter glossaries at the end of each chapter a comprehensive timeline topics covered include party formations the flourishing of the press the expansion or reduction of political and civil rights repression and human right abuses foreign intervention and influence obsessions over conspiracies the influence of western ideologies the role of nationalism cultural

and historical persian chauvinism and shi i islam and competing shiisms

presents the historical and ideological context of recent events in iran

this book charts the history of iran s sexual revolution from the nineteenth century to today the resilience of the iranian people forms the basis of this sexual revolution one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations

this book first published in 1994 analyses the entire length of iran s international boundaries it reviews the establishment evolution and continuing contentions over iranian frontier zones and boundary lines from the creation of the iranian nation state out of the diverse and dispersed areas of the persian empire a process that has given rise to many contemporary problems that spill over into dispute and conflict

the first full length study of iranian nationalism in nearly five decades this sophisticated and challenging book by the distinguished historian ali m ansari explores the idea of nationalism in the creation of modern iran it does so by considering the broader developments in national ideologies that took place following the emergence of the european enlightenment and showing how these ideas were adopted by a non european state ansari charts a course through twentieth century iran analysing the growth of nationalistic ideas and their impact on the state and demonstrating the connections between historiographical and political developments in so doing he shows how iran s different regimes manipulated ideologies of nationalism and collective historical memory to suit their own ends drawing on hitherto untapped

sources the book concludes that it was the revolutionary developments and changes that occurred during the first half of the twentieth century that paved the way for later radicalisation

hooman majd acclaimed journalist and new york residing grandson of an ayatollah has a unique perspective on his iranian homeland in this vivid warm and humorous insider s account he opens our eyes to an iran that few people see meeting opium smoking clerics women cab drivers and sartorially challenged presidential officials among others revealing a country where both t shirt wearing teenagers and religious martyrs express pride in their persian origins that is deeply religious yet highly cosmopolitan authoritarian yet reformist this is the one book you should read to understand iran and iranians today
