the first book length survey of cinema's vital role in the cold war cultural combat between the us and the ussr focuses on 10 films five american and five soviet both iconic and lesser known works showing that cinema provided a crucial outlet for the global debate between democratic and communist ideologies

this work investigates the facts and fictions of the south's victories and defeats during the american civil war it debunks long standing legends offers evidence explaining confederate actions and considers the idealism naivete and courage of military leadership and would be founding fathers

popular writers and historians alike have perpetuated the powerful myth of the rugged individualist single handedly transforming the american west in reality william robbins counters it was the guggenheims and goulds the harrimans and hearsts and the morgans and mellons who masterminded what the west was to become remove the romance he shows and a darker west emerges a colonial like region where industrial statesmen aided by eastern us and european capital manipulated investments in pursuit of private gain while controlling wage earning cowboys and miners robbins argues that understanding the impact of capitalism on the west from the fur trade era to the present is essential to understanding power influence and change in

the region showing how global capitalism had a more profound impact on the modern west than individual initiative he explores violence and racism along the texas mexican border colonial style company towns in montana and the northwest contrasting traditions astride the u s canadian boundary pace setting agribusiness and exploitation of labor in california the growing power of metropolitan centers and dependence of rural areas and the emergence of a sizable federal influence to grasp the essence of the west s dramatic transformation robbins contends you must look to the mainstays of material relations in the region the perpetually changing character of political and economic culture the inherent instability of resources and the larger constellations of capitalist decision making consequently he shows shy western success and failure prosperity and misfortune and expansion and decline were all inseparably linked to the evolution of capitalism at the local regional national and global levels in the tradition of patricia nelson limerick s legacy of conquest robbins s study challenges some of our most revered images of the west and invigorates the ongoing debates over its history and meaning for our nation

mathies bowser bausser and his family as well as his mother and father immigrated from the palatinate of germany to philadelphia in 1733 mathies settled in york co pennsylvania he was the grandfather of jeremiah includes martin walls and related families
