i am an infant to this thing called poetry the poems i write are just nursery rhymes in comparison to what ive read heard and seen from other artist one brother shared with me his books and i was astonished at his work he used word and meanings to express his heart that i have just begun to understand in the context of what he had expounded to me lead me to the different styles of writing i have no teaching in poetry nor did i go and read a lot of poems to get what i have today

the book the end of racism in america traces the monster called racism from the day junior was born in 1939 and documents thereafter the horrendous effort put forth for the greater part of junior s life to assure him a place in the basement of the greatest nation on the face of the earth america when junior moved from his native alabama rural community called nymph where he was one of twelve children who lived in abject poverty he located to the big city of mobile al he soon discovered he was doomed to second class citizenship simply based on his back skin in fact laws guaranteed his inability to compete with whites in any segment of society this book will show that junior overcame every obstacle intended to assure him a lifetime of second class citizenship and rose up to become a mighty leader the third highest ranking elected official of the city of mobile you will see that junior was haunted most of his life over america s false notion that he was born innately inferior to others simply based on his black skin you will see that junior graduated from many schools

of higher learning including the university of south alabama while on a mission to find evidence prove to the world he was equal to any human on planet earth after traveling the world over becoming an avid student of the bible and majored in history he is in his book offering to america a foolproof formula to end the very notion of racism in america in his lifetime he is 84

learn about the successes of black entrepreneurs through a collection of unique case studies successful black entrepreneurs is an insightful collection of harvard business school case studies about black entrepreneurs succeeding in a variety of industries and through different routes including start ups franchising and acquisitions the book also recognizes and celebrates black entrepreneurial excellence as it takes the reader through the stages of entrepreneurship including ideation raising capital growing the company and taking it public in addition to identifying the positive aspects of black entrepreneurship the book also uses data research and anecdotes to highlight the challenges faced by black entrepreneurs including an inability to access capital from traditional financial institutions like banks and private equity firms the requirement to practice racial concealment in the company of white customers in order to achieve success perfect for students aspiring entrepreneurs and established business leaders successful black entrepreneurs provides practical perspectives from black entrepreneurs about what it takes to succeed in business
