in december 1981 soldiers of the salvadoran army s select american trained atlatl battalion entered the village of el mozote where they murdered hundreds of men women and children often by decapitation although reports of the massacre and photographs of its victims appeared in the united states the reagan administration quickly dismissed them as propaganda in the end el mozote was forgotten the war

in el salvador continued with american funding when mark danner s reconstruction of these events first appeared in the new yorker it sent shock waves through the news media and the american foreign policy establishment now danner has expanded his report into a brilliant book adding new material as well as the actual sources he has produced a masterpiece of scrupulous investigative journalism that is also a testament to the forgotten victims of a neglected theater of the cold war

in december 1981 soldiers of the salvadoran army s select american trained atlatl battalion entered the village of el mozote where they murdered hundreds of men women and children often by decapitation although reports of the massacre and photographs of its victims appeared in the united states the reagan administration quickly dismissed them as propaganda in the end el mozote was forgotten the war in el salvador continued with american funding when mark danner s reconstruction of these events first appeared in the new yorker it sent shock waves through the news media and the american foreign policy establishment now danner has expanded his report into a brilliant book adding new material as well as the actual sources he has produced a masterpiece of scrupulous investigative journalism that is also a testament to the forgotten victims of a neglected theater of the cold war

this book brings a fresh perspective on what may be the largest massacre in modern latin american history many new additions are included such as data from half a dozen field trips discussions of reconstruction and the fight for justice and the relation of the massacre to the region provided by publisher

through fieldwork among the surprisingly numerous survivors the author reconstructs the recent social structure culture and history of the northeastern salvadoran village of segundo montes before during and after the infamous massacre she tries to place anthropology squarely into political issues but also focuses on the people s oral testimonies more than on her own ethnography especially resisting the easy total categorization of the survivors as victims handbook of latin american studies v 57

in the harrowing pages of this compelling narrative delve into the tragic events that unfolded on december 11 and 12 1981 in the remote village of el mozote uncover the untold stories of the courageous individuals who faced unimaginable brutality caught in the crossfire of a war that scarred a nation this book is a journey through the darkest chapters of history exploring the resilience of the human spirit against the backdrop of unspeakable atrocities as the narrative unfolds witness the painstaking efforts to seek justice for the victims despite formidable obstacles and a government s reluctance to confront its own past through meticulous research and a gripping storytelling approach this book sheds light on a painful truth that has long been shrouded in silence beyond the historical account the narrative explores the enduring impact of the el mozote massacre on the lives of survivors and the collective memory of a community it is a testament to the

strength of those who refuse to forget an exploration of the quest for justice and a plea for a world where such horrors are relegated to the annals of history in these pages the echoes of el mozote resonate a poignant reminder of the importance of truth remembrance and the ongoing pursuit of justice this book stands as a tribute to the resilience of the human spirit and a call for understanding empathy and a commitment to a future free from the shadows of the past

a photographic essay published on the occasion of the 25th anniversary of the el mozote massacre

the authors provide the first systematic study of the infamous massacre now regarded as one of the most extreme cases of state sponsored repression in modern latin american history
