the biblical gift of speaking in tongues is the supernatural gift from god of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language and what is spoken in that foreign language is the gospel of jesus christ the main purpose is in order that christ and him crucified would be preached to all nations in a language that the hearer would understand yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines this bible study teaches verse by verse on this topic teaching what the bible says as compared to what the heretics of today have to say who are deceiving christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession and as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

collection what the bible says about if this is your first contact with this collection i welcome you first of all may god speak deeply to you as you go through each page may the holy spirit amplify even more the reach of your spiritual eyes this collection consists of the elucidation of certain subjects based on the holy bible currently the church of jesus is partially divided into ideas we all classify ourselves as christians but i notice that unity of faith is still lacking so christ himself gave the apostles the prophets the evangelists the pastors and teachers to equip his people for works of service so that the body of christ may be built up until we all reach unity in the faith and in the knowledge of the son of god and become mature attaining to the whole measure of the fullness of christ ephesians 4 11 13 added emphasis it was for this reason that the need to clarify some points based on what the scriptures says far from any exclusive or special human interpretation the bible is the complete and sufficient revelation of the gospel for man so any inclusion by the human being is secondary and must be invalidated if it proves to be heretical and if anyone takes words away from this scroll of prophecy god will take away from that person any share in the tree of life and in the holy city which are described in this scroll revelation 22 19 all scripture is god breathed and is useful for teaching rebuking correcting and training in righteousness so that the servant of god may be thoroughly equipped for every good work 2 timothy 3 16 17 feel free to check out each of the topics of this work in your own bible with your own eyes discover the truths revealed by the lord and renew your way of thinking happy studying keep this book of the law always on your lips meditate on it day and night so that you may be careful to do everything w

an in depth look into the bible definition of miracles and divine providence the book provides how the bible defines these words and concepts as well as what they are designed by god to do it also contrasts and compares these two concepts with each other
