the handbook of the study of play brings together in two volumes thinkers whose
diverse interests at the leading edge of scholarship and practice define the current
field because play is an activity that humans have shared across time place and

culture and in their personal developmental timelines and because this behavior stretches deep into the evolutionary past no single discipline can lay claim to exclusive rights to study the subject thus this handbook features the thinking of evolutionary psychologists ethologists and biologists neuroscientists developmental psychologists psychotherapists and play therapists historians sociologists and anthropologists cultural psychologists philosophers theorists of music performance and dance specialists in learning and language acquisition and playground designers together but out of their varied understandings the incisive contributions to the handbook take on vital questions of educational policy of literacy of fitness of the role of play in brain development of spontaneity and pleasure of well being and happiness of fairness and of the fuller realization of the self these volumes also comprise an intellectual history retrospective looks at the great thinkers who have made possible the modern study of play

this book is about the inner sources of spontaneous creation it is about where art in the widest sense comes from it is about why we create and what we learn while doing so it is about the flow of unhindered creative energy the joy of making art in all its varied forms free play is directed towards people in any field who want to contact honour and strengthen their own creative powers it reveals how inspiration arises within us how that inspiration may be blocked derailed or obscured by certain unavoidable facts of life how it can finally be liberated how we can be liberated to speak or sing write or paint dance or play with our own authentic voice wise generous and timeless it has been a touchstone for creativity since 1990 and it is a book that you will find yourself reaching for again and again in times of need this 2024 edition includes a new afterword by the author and a foreword by women s prize for fiction winner ruth ozeki

theory in and out of context furthers discourse and understanding about the complex phenomenon we know as play play as a human and animal activity can be understood in terms of cultural social evolutionary psychological and philosophical perspectives this effort necessarily includes inquiry from a range of disciplines including history sociology psychology education biology anthropology and leisure studies work from a number of those disciplines is represented in this book this volume includes sections covering foundations and theory of play gender and children s play theory of mind adult child play and classroom play scholarly analyses

and reports of research from diverse disciplines amplify our understanding of play in western and non western societies
