augustine is the most influential thinker of western christianity and city of god is arguably his greatest work after the sack of rome in 410 many romans despaired about the future of the empire critics of christianity blamed the devastation on the empire s conversion to the faith city of god is augustine s monumental response to these challenges developed through analysis of roman society engagement

with classical philosophy and extended commentary on scripture these sprawling discussions yield augustine's theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of god or of self christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city the length and complexity of city of god make its argument difficult to follow even for specialists this resource abridges augustine's work and makes it accessible for a wide readership the selections focus on his social and political thought while indicating the larger shape of his work they are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text these aids will enable readers to experience augustine's work for themselves the essential city of god retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability

all six books in the 1 new york times bestselling mortal instruments series now available in a collectible hardcover boxed set enter the secret world of the shadowhunters with this handsomely packaged boxed set that includes city of bones city of ashes city of glass city of fallen angels city of lost souls and city of heavenly fire the mortal instruments books have more than five million copies in print and this collectible set of six hardcover volumes is a perfect gift for newcomers to the series and for loyal fans alike

seasoned teachers introduce the catholic social tradition with distinctive attention to the bible liturgy and the thought of augustine and aquinas

augustine presents the four essential elements of his philosophy in the city of god the church the state the city of heaven and the city of the world the church is divinely established and leads humankind to eternal goodness which is god the state adheres to the virtues of politics and of the mind formulating a political community both of these societies are visible and seek to do good mirroring these are two invisible societies the city of heaven for those predestined for salvation and the city of the world for those given eternal damnation this grand design allows augustine to elaborate his theory of justice which he says issues from the proper and just sharing of those things necessary for life just as god freely distributes air water and light humankind must therefore pursue the city of heaven to maintain a proper sense of order which in turn leads to true peace

primary source readings in catholic church history is designed to accompany catholic church history textbooks but may be used with any course it is a collection of significant primary sources through the church's history thirty chapters include select documents along with commentary on who wrote them and why how each document is significant to its time and why it has endured as an important writing in church history the following are some of the historical writers included in this book saint perpetua saint augustine pope saint gregory saint catherine of siena martin luther saint theresa of avila saint francis junipero serra dorothy day second vatican council the teaching manual for primary source readings in catholic church history offers teachers guidance on why and how to use primary sources it also includes review questions in depth questions with instructions for teachers take home activities and homework extenders well developed classroom activities

this book argues that christians have a stake in the sustainability and success of core cultural values of the west in general and america in particular steven m studebaker considers western and american decline from a theological and specifically pentecostal perspective the volume proposes and develops a pentecostal political theology that can be used to address and reframe christian political identity in the united states studebaker asserts that american christians are currently not properly engaged in preventing america's decline or halting the shifts in its core values the problem he suggests is that

american christianity not only gives little thought to the state of the nation beyond a handful of moral issues like abortion but its popular political theologies lead christians to think of themselves more as aliens than as citizens this book posits that the proposed pentecostal political theology would help american christians view themselves as citizens and better recognize their stake in the renewal of their nation the foundation of this proposed political theology is a pneumatological narrative of renewal a biblical narrative of the spirit that begins with creation proceeds through incarnation and pentecost and culminates in the new creation and everlasting kingdom of god this narrative provides the foundation for a political theology that speaks to the issues of christian political identity and encourages christian political participation

reflecting jerusalem in the medieval czech lands maps the reception reflection and translation of jerusalem in medieval czech lands the volume deals with jerusalem as an idea and traces it not only in time but in various forms of art as well such as architecture book and wall painting and different literary genres with the aim of covering the whole spectrum of jerusalem images in medieval czech lands special attention is paid to the interim period when the czech lands lost direct contact with the holy land and the idea of jerusalem was mediated through western european and italian sources
