it has been my desire to reconstruct the two books garden making and practical garden book but inasmuch as these books have found a constituency in their present form it has seemed best to let them stand as they are and to continue their publication as long as the demand maintains itself and to prepare a new work on gardening this new work i now offer as a manual of gardening it is a combination and revision of the main parts of the other two books together with much new material and the results of the experience of ten added years

this comprehensive guide to gardening is a treasure trove of practical advice and expert tips the authors cover everything from soil preparation to pest control and provide detailed instructions for growing hundreds of varieties of vegetables fruits and flowers whether you re an experienced gardener or a novice this book is an indispensable resource for creating a beautiful and productive garden this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

excerpt from manual of gardening a practical guide to the making of home grounds and the growing of flowers fruits and vegetables for home use it has been my desire to reconstruct the two books garden making and practical garden book but inasmuch as these books have found a constituency in their present form it has seemed best to let them stand as they are and to continue their publication as long as the demand maintains itself and to prepare a new work on gardening this new work i now offer as a manual of gardening it is a combination and revision of the main parts of the other two books together with much new material and the results of the experience of ten added years a book of this kind cannot be drawn wholly from one s own practice unless it is designed to have a very restricted and local application many of the best suggestions in such a book will have come from correspondents questioners and those who enjoy talking about gardens and my situation has been such that these communications

have come to me freely i have always tried however to test all such suggestions by experience and to make them my own before offering them to my reader i must express my special obligation to those persons who collaborated in the preparation of the other two books and whose contributions have been freely used in this one to c e hunn a gardener of long experience professor ernest walker reared as a commercial florist professor l r taft and professor f a waugh well known for their studies and writings in horticultural subjects about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
