the treatise is divided into three distinct parts thus 1 preliminaries 2 the amazing human life of christ on earth 3 mighty sequels in time and eternity to the human life of christ on earth mysteries both natural and supernatural surround us press us and penetrate us on all sides we are simply steeped in mysteries we are to our very selves and each one of the brethren is to us a mystery or rather a sheaf of mysteries the material universe we are in is an enormous congeries of mysteries in

the inscrutable depths of the firmament in the atmosphere which envelops our planet above and beneath the surface of the earth in the oceans are found mysteries upon mysteries and mysteries within mysteries indeed when we meditate on these truths we realize just how awesome god really is let us consider the outline of the contemplation of this work in the great mystery of jesus we can consider three distinct sets of mysteries namely 1 the mysteries of his sacred flesh and blood 2 those of his blessed human soul and 3 those of his pure godhead it is the contemplation of the sacred humanity of our lord that is to say of his human body and soul which will engross our attention in these pages and let us return whosoever pays loving reverence to the person of our lord jesus christ the word made flesh pays also loving reverence to his most sacred heart it does not matter whether he realizes this or not or actually think of it or not this consideration is very sweet and comforting it shows that the devotion to the sacred heart has been at least implicitly practised by the church and all her children from the very beginning even heretics when pious and in good faith as is the case with a certain number of them practise this devotion in spite of themselves and at the very time that they are condemning it in the catholic church indeed the worship of the sacred heart is most appropriate for these times god loves us and the sacred heart is a great demonstration of this love he devotes a chapter to other works on our lord jesus christ the order i follow is this beginning with contemporary books on our lord i work my way up through the centuries to the very first where we reach at last the bedrock foundation of the four gospels and the rest of the scriptures i could not use the word christology in this connection because it is too learned a word for many of my readers and also because the words at the head of this chapter allow of a larger scope in the choice of books to be recommended the second part of this work explores the amazing life of jesus christ let us consider jesus at four years old a bit at the age of four the child jesus was growing wholly gracious still small enough to be taken up and carried in arms an action which mary and joseph would do with unspeakable rapture yet big enough to walk alone and to make much happy stir in the house and round about it the child jesus began to smile to laugh and prattle and to enter upon an innocent and happy life like other dear little children of that age i cannot imagine the child jesus frowning no doubt from time to time his sweet mother and his foster father had suddenly come upon him and found him rapt in a state of prayer infinitely beyond his age but as a rule his appearance and conduct were those of the most beautiful perfect natural and loving little child that ever existed

the fellowship of the mystery what is it that keeps a church that is wrong in some area from getting right look at the verses above for the answer paul the apostle of the gentiles romans 11:13 beseeches pleads christians to all walk worthy of the vocation wherewith we are called and most are not or we would not have this division in the body of christ the problem with churches groups of saved individuals and individual believers that are wrong multiplies day after day by their not walking worthy of the vocation wherewith they are called by following verses two and three they do not practice humility lowliness in regards to the very thing that is causing the division in the first place they are not longsuffering with fellow brothers and sisters in attempts to come to a knowledge of the truth 1st timothy 2:4 who will have all men to be saved and to come unto the knowledge of the truth what truth the truth the truth that produces that unity of the spirit mentioned above the truth paul mentions here is the subject of this book truths that are described as mysteries that were formerly kept hid in god before the world began but now are made manifest the fellowship of the mystery ephesians 3:9 and to make all men see what is the fellowship of the mystery which from the beginning of the world hath been hid in god who created all things by jesus christ many friends and total strangers who humbled themselves and have given me and many others their ears for a few hours after they were able to turn off their cell phone have almost all said i cannot unsee what i have seen having come to the knowledge of the truth revealed to the apostle paul by the risen christ they cannot

go back to the division they were once a large part of the mystery is no longer a mystery anymore others unfortunately have refused to humble themselves to believe that they could be confused about somethings even when they know they don't have all the answers and they one day become sad statistics by being what paul spoke about in his final prison epistle 2nd timothy 3:7 ever learning and never able to come to the knowledge of the truth they instead puff up their chest pride at fellow believers in christ they draw battle lines in the sand and they refuse to consider that they or their camp denomination could be a part of the many who are causing this division in the body of christ will you in with all lowliness while reading this book pray that if you have anything wrong in your theology that god did not planted there ask him to root that doctrine of devils up and replaced with the knowledge of the truth then you will be able to walk worthy of the vocation wherewith you are called as you come unto a knowledge of the truth once you see what religion has kept you from seeing you will never be able to unsee it then you will also be fellowshiping in the mystery that was once a mystery to you the mystery that satan wants to keep a mystery is you coming unto a knowledge of the truth concerning the mysteries revealed to the apostle paul satan wreaks havoc in churches and individuals lives and ministries by keeping god's saints ignorant of the truths that are for today if you get a computer or a cell phone and you never get the updates your phone will not produce for you what its creator made the updates for many christians camps denominations operate under the law and grace today to one degree or another and they pick and choose which things they like from both dispensations while ignoring others we need to practice what our apostle taught us in his last epistle as we study scripture 2nd timothy 2:15 study to shew thyself approved unto god a workman that needeth not to be ashamed rightly dividing the word of truth brother jim phillips

jesus remains one of the most studied characters in history in the two millennia since his birth countless writers have published numerous books and articles on every aspect of his life personality teachings and environment depending on the backgrounds goals and trainings of their respective authors these works relied on the new testament other christian sources jewish writings or other historical sources or on combinations of these writings the qur'an is rarely mentioned let alone seriously considered by the mainly christian authors of these studies this explicit or implicit neglect reflects a presumed historical worthlessness of the qur'an muslim scholars have also written extensively about jesus contrary to their western counterparts they have studied in detail what the qur'an and other islamic sources say about jesus the christian image of jesus is often cited to be

dismissed usually on the basis of what islamic sources say but at times also because of its incoherence and inconsistency like western scholars who have ignored the qur an muslim writers have shown no interest in independent historical sources this book fills a gap in the literature on the historical jesus by taking the unique approach of considering together the qur an the gospels and other religious and historical sources this genuinely new contribution to the scholarship on the historical jesus shows that unlike the new testament accounts the qur anic image of jesus is both internally consistent and reconcilable with known history while showing that our understanding of how the new testament was formed and our growing knowledge of history confirm that the christian jesus is unhistorical this study makes a strong case for the historicity of the jesus of the qur an its friendly style makes this comprehensive book suitable for the general reader as well as the specialist readers with interest in the historical jesus the messiah in the various scriptures modern qur anic exegesis or comparative religion will find this compelling study highly informative and thought provoking no specialist knowledge of any scripture or history is required for reading the book

this astonishing book completely undermines the traditional history of christianity that has been perpetuated for centuries by the church drawing on the cutting edge of modern scholarship authors tim freke and peter gandy present overwhelming evidence that the jesus of the new testament is a mythical figure far from being eyewitness accounts as is traditionally held the gospels are actually jewish adaptations of ancient pagan myths of the dying and resurrecting godman osiris dionysus the supernatural story of jesus is not the history of a miraculous messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery a little more than a century ago most people believed that the strange story of adam and eve was history today it is understood to be a myth within a few decades freke and gandy argue we will likewise be amazed that the fabulous story of god incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable

in mysteries of john charles fillmore illustrates the universal teachings of jesus in a way that brings deeper understanding of the spiritual nature of humanity and our oneness with god this book calls each person to fully express the divine and create an extraordinary life

who do you say that i am christ s contemporaries ascribed to him many names and titles as we see recorded in the new testament each one tells us something

different about who jesus is in this book eric sammons frames a series of thoughtful reflections on the names of jesus in the gospel of matthew with references from the church fathers the saints and doctors of the church he translates the depth of the mystery of the faith so readers can discover new dimensions of the person of christ and new ways to recognize and welcome him into their lives this volume exemplifies what the world synod of bishops recently called for sound biblical resources that help people encounter christ the word made flesh in the reading of scripture mary healy phd general editor catholic commentary on sacred scripture eric sammons knows how to cut to the chase with grace and aplomb who is jesus christ is the most important question that has ever been asked in the history of the human race and he ably helps us answer it and all the deepest longings of the human heart through the christ he serves so well mark p shea author mary mother of the son

for hundreds of years we thought we knew what happened during jesus last days holy thursday good friday and easter sunday are not only observed by christians around the world but are also recognized in calendars and by non practitioners as commemorating the true timeline of events in the life of christ but apparent inconsistencies in the gospel accounts of jesus final week have puzzled bible scholars for centuries in the mystery of the last supper colin humphreys uses
