our book called the narrow path of god is basically about teaching people the authentic gospel of jesus christ and explaining to people what it really feels like to walk this narrow path with jesus because a lot of people have their own perception about what christianity is and what it is about some people think that christianity is about prosperity and blessings some believe that christianity is about going to church every sunday and throughout the rest of the week they can live how they want to live but the true disciples of christ really knows the true definition of being a christian it is not about the benefits and the blessings it is not about seeing how far you can get away with sin and still be in the lord it is not about being apart of a christian organization and calling yourself a christian because you have a title in the church it is about enduring till the end denying yourself and truly submitting to god's purpose for your life matthew 24 13 but he that shall endure unto the end the same shall be saved luke 9 23 if any man will come after me let him deny himself and take up his cross daily and follow me matthew 7 13 14 enter by the narrow gate for wide is the gate and broad is the way that leads to destruction and there are many who go in by it 14 because narrow is the gate and difficult is the way which leads to life and there are few who find it hope you guys enjoy this book god bless

this book is one of a collection of scripture readings for daily study together with a selection of themed verses for meditation either in isolation or as part of a regular prayer regime the readings are based on a traditional lectionary and are based on the date rather than the liturgical year this means that the collection can be used year after year not being specific to any one year it also means that the readings will often be different to those used in church services further broadening our bible study experience volume 13 the special edition contains

additional readings for special occasions such as advent lent and easter and volume 14 the journey to the cross is a specific lenten meditation including the prayers of the early christian church in this way the whole collection of 14 books complete a beautiful and invaluable permanent devotional tool capable of being used year in year out lasting a lifetime each day there are readings and meditations for morning and evening there is no need to read both because they are independent of each other but they do follow each other in a sequence the morning readings include a reading from the book of psalms and the evening readings a text from the imitation of christ by thomas a kempis for meditation and to help us develop the spiritual side of our walk in christ

a study guide that answers many of the questions people have about the christian faith why do i need salvation does hell really exist there are so many religions which one is true how do i know

i am really saved who is god jesus and the holy spirit is the bible from man or god what are angels what is man and his purpose why is there a devil and how do i resist him what is the church and should i attend how should i pray what does obedience have to do with christianity why and how should i share my faith this book is written so that seasoned believers can strengthen their walk and use the book to share with or teach others this book will help new christians learn the major foundations of the christian faith this book will help the unbeliever to understand christianity it will motivate and challenge the reader to make a personal rather than the consensus decision about who jesus christ is

jesus said that the way leading to life is narrow and those who are finding it are few matthew 7 v 14 having come through the narrow gate what direction are christians called to take in their life journey exactly what is it that christians are called to do in their daily lives many christians consider that the answer is fairly easy and straightforward they say that christians are called to focus on living a godly life but what does that actually mean in practical terms does it mean going to church every sunday to worship and praise god does it mean seeking an experience of the presence of god or spiritual gifts so as to be empowered to walk in the spirit does it mean getting going and getting involved in attending fellowship bible studies and prayer meetings and helping out with fellowship activities such as evangelism projects or maintaining the church website or helping out in the youth club or pre school coffee mornings and so on does it mean getting involved in local community and charity work does it mean looking to the ten commandments and using god s law as personal ideals and resolutions so as to be spurred on to do what god commands does it mean withdrawing from the world not going to nightclubs not watching movies not going to bars and works parties so as to become like a hermit in order not to be led astray by ungodliness does god have a specific individual personal plan for each and every christian if so how do christians find out what that specific plane for them actually is this book seeks to define the narrow path and the way in which christians are being called to walk along it according to the teaching of jesus and his apostles illustrating the direction of travel where the path leads to and some of the sidetracks that lead to dead ends and to be avoided it is intended for all christians but especially christians who are involved in teaching and leadership

during his ministration on the mount christ exhorted his disciples to choose the narrow gate not the broad one because only the narrow path and the narrow gate lead to eternal life yet few individuals find it how can we find it to take the path towards eternal life we must embrace a change to godly living tomorrow might be too late this means we must obey god s commandments have hearts of forgiveness and be filled with the holy spirit in fear of our lord there is no room for pride in the kingdom of heaven the path towards the narrow gate can only be achieved by total submission to his mandates
