the central intelligence agency cia is one of the most fascinating yet least understood intelligence gathering organizations in the world

for forty years the central intelligence agency has published an in house journal studies in intelligence for cia eyes only now the agency has declassified much of this material this engrossing book which presents the most interesting articles from the journal provides revealing insights into cia strategies and into events in which the organization was involved the articles were selected by h bradford westerfield who teaches courses on intelligence operations but has never been affiliated with cia

westerfield s comprehensive introduction sketches the history and structure of cia sets the articles in context and explains his criteria for selecting them the articles cover a wide range of intelligence activities including the gathering of intelligence data inside the united states analysis of data interaction between analysts and policymakers the development of economic intelligence targeted at friendly countries as well as at foes use of double agents the personal memoir of a cia officer who pretended to the russians to be their agent evaluation of defectors the nosenko case and coercive interrogation techniques and how agents can resist them

in one of the most remote covert campaigns of the cold war the cia harnessed nurtured and encouraged the khampa tribesmen of tibet in their defiance against chinese subjugation this is the first time the story has been told
