the 1978 australian ufo incident the unsolved disappearance of frederick valentich on the night of october 21 1978 a young australian pilot named frederick valentich took off in a cessna 182 from moorabbin airport and vanished without a trace his chilling final radio transmissions described a strange metallic object hovering above his aircraft moments later contact was lost no wreckage was ever found in the 1978 australian ufo incident dive deep into one of the most compelling and controversial ufo cases in history this meticulously researched book explores

valentich's background and final flight eyewitness reports of strange lights over bass strait transcripts of his eerie communications with air traffic control government investigations and unanswered questions the cultural and psychological impact on his family and australia theories ranging from alien abduction to pilot error whether you're a skeptic believer or simply curious this true life mystery will challenge your understanding of aviation government transparency and the unexplained was it human error or extraterrestrial encounter discover the facts explore the evidence decide for yourself

the ufo bible volume 1 is about everything you want to know about ufos and the background about them everything from organizations who deal with ufos alien races terminology theories conspiracies what does religion tell us about ufos facts then and now ufo design plus so much more in this first volume of the ufo bible

governments around the world have had to deal with the ufo phenomenon for a good part of a century how and why they did so is the subject of ufos and government a history that for the first time tells the story from the perspective of the governments themselves it's a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years the story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the ufo problem internally those approaches were not taken lightly in fact they were considered matters of national security at the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality and it explains why one government the united states government deemed it wise and perhaps even necessary to treat it so though the book focuses primarily on the u.s. government's response to the ufo phenomenon also included is the treatment of the subject by the governments of sweden australia france spain and other countries this large format fully illustrated book is the result of a team effort that called itself the ufo history group a collection of veteran ufo historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the ufo phenomenon michael swords was the primary author of the united states chapters the work was coordinated and edited by robert powell clas svahn vicente juan ballester olmos bill chalker and robert powell contributed country chapters jan aldrich was the primary content consultant with additional content consultation and writing coming from barry greenwood and richard thieme steve purcell was the primary photo illustration editor from the foreword by jerome clark while ufos and government revisits an

often unhappy history the reading of it is far from an unhappy experience the authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official ufo history in many years most of the current volume deals with u s military and intelligence responses to the ufo phenomenon but it also features richly informative chapters that expand the story across the international arena if you re looking for an example of a nation that dealt productively with the ufo reports that came its official way you will take heart in the chapter on the french projects from here on every responsible treatment of ufos and government will have to cite ufos and government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century i expect to keep my copy close at hand and to return to it often while it cannot be said of many books ufo themed or otherwise this is among the essential ones stray from it at your peril

lots of information on sightings and everything from a scientific angle about them compiled from wikipediapages and published by drgoogelberg

paranormal spirituality and the history of our alien et ufo community of those who became ufologists this is some of the history that tj morris uses on the nightly blogtalkradio com tjmorrisetradio good reading about the past and the future while learning about the global brain ways we share in our social networking similar interest groups tj has the alien contact investigations researchers group and the website called alienetufo org

examining the nature of ufo evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of ufos the volume also brings together three bestselling authors david m jacobs budd hopkins and pulitzer prize winner john mack widely known for their writings on the controversial alien abduction phenomenon

the witty tale of a real life mid life crisis which took an ordinary kiwi bloke around australia on a motorbike to fulfil his life long easy rider inspired dreams of his long lost youth the result is a very dry look at the big dry country told with self deprecating wit by a first time author a large market has been established for blokes on bikes doing things to recapture their long lost youth following the exploits of multi millionaire gareth morgan and his friends who go to exotic places on luxury bikes mike s endearing and funny tale is at the other end of the scale the ordinary bloke doing it on the modest bike and smell of an oily rag with some wonderfully seat of the pants escapades along the way a naturally funny man mike pokes fun at himself and

aussies in an equally merciless way providing a travel book with a real heart and a real difference definitely a book for every middle aged man you know and their wives since his trip mike has been speaking to a large number of bike clubs in the south island and will be using these contacts to help promote the book

unidentified flying objects are said to have been photographed and filmed in every country in the world and witnessed by people from many different backgrounds yet governments are generally unwilling even to acknowledge the possibility of ufos and extraterrestrials and it is civilian organizations that have taken the lead in investigating them over a thousand organizations and publications dedicated to investigating alleged ufos and extraterrestrials are listed in this directory it focuses on those groups that conduct field research or review investigations locally nationally or internationally such as the archives for ufo research founded in 1973 and based in sweden the british ufo research association founded in 1962 and based in england centro brasileiro de pesquisas de discos voadores founded in 1983 and based in brazil flying saucer review first published in 1955 and based in england and the national ufo reporting center founded in 1974 and based in washington state to name just a few the entries provide contact information including the organization or publication s address and telephone number and in many instances the organization or publication s fax number website and email address

skywatchers and more casual ufo enthusiasts will delight in this comprehensive up to date directory of ufo related web sites and compendium of 21st century intelligence on the flying saucer menace new information on the roswell incident is provided along with a country by country listing of 21st century ufo sightings and details on up close ufo encounters around the world fresh material on ufos in legend and mythology in addition to maps photos drawings and a discussion of sci fi topics such as time travel nanotechnology and underground bases will further tantalize the ufo researcher

barry watts presents thirty amazing ufo encounters from down under australia new zealand new guinea each case is re examined from witness testimony newspaper reports and appraisal by experts read about the family whose car was lifted off the road by a mysterious force the aerial filming of a spectacular light show over the ocean the largest sighting ever by schoolchildren in their playground the abduction and marking of a young mother the pilot and plane which disappeared after being harassed in flight a mission school which begged a giant flying saucer to land nearby a woman who struck an alien visitor when he came too close read these and several other surprising encounters from south of the equator down under a great

review and analysis of over 30 fascinating ufo cases from the australian region from barry watts who is gifted with an eye for drawing attention to the essential details and also provides documentation and referencing for the more serious reader bill chalker the oz files the australian ufo story barry draws on a variety of sources each sighting is well researched the work is easy to read and provides an excellent overview of each case recommended as an excellent source of detailed information on some of the best australasian ufo cases keith basterfield australian ufo researcher

a consideration of the evidence for and against the existence of alien spacecraft it includes a checklist of ufo sightings in australia from 1968 to 1996 and provides maps of each state giving their precise locations
