lord henry wotton

introduction by jeffrey eugenides nominated as one of america s best loved novels by pbs s the great american read written in his distinctively dazzling manner oscar wilde s story of a fashionable young man who sells his soul for eternal youth and beauty is the author s most popular work the tale of dorian gray s moral disintegration caused a scandal when it first appeared in 1890 but though wilde was attacked for the novel s corrupting influence he responded that there is in fact a terrible moral in dorian gray just a few years later the book and the aesthetic moral dilemma it presented became issues in the trials occasioned by wilde s homosexual liaisons which resulted in his imprisonment of dorian gray s relationship to autobiography wilde noted in a letter basil hallward is what i think i am lord henry what the world thinks me dorian what i would like to be in other ages perhaps

the story of a man who sells his soul to ensure that he will remain young and handsome while his painted portrait ages instead

the picture of dorian gray is about a young man named dorian gray who has a portrait painted of himself the artist basil hallward thinks dorian gray is very beautiful and becomes obsessed with dorian one day in basil s garden dorian gray meets a man named lord henry wotton lord henry wotton makes dorian gray believe that the only thing important in life is beauty however dorian realizes that he will become less beautiful as he grows older he wishes the portrait basil painted would become old in his place dorian then sells his soul so he can be beautiful forever but not on purpose dorian s wish comes true however every time dorian does something evil mean or selfish his picture ages for 18 years dorian does not age he does many bad things while his portrait becomes more aged with each bad deed later on dorian decides to stop doing bad things in the hopes that this will make his portrait become beautiful again but it only makes it worse dorian thinks that only a full confession will make the portrait beautiful again however he does not feel guilty for anything he has done so dorian picks up a knife and destroys the portrait when his servants hear a scream from dorian s room they call the police the police find dorian s body on the floor with a stab wound in his heart his body has become very aged however the portrait has returned to the way it was when it was first painted

over 120 years after oscar wilde submitted the picture of dorian gray for publication the uncensored version of his novel appears here for the first time in a paperback edition this volume restores material including instances of graphic homosexual content removed by the novel s first

editor who feared it would be offensive to victorians

when dorian gray has his portrait painted he is captivated by his own beauty set in fin de siecle london this novel traces a path from the studio of painter basil hallward to the opium dens of the east end combining elements of the supernatural aestheticism and the gothic this is a work of fiction

the picture of dorian gray is a gothic and philosophical novel by oscar wilde first published complete in the july 1890 issue of lippincott s monthly magazine fearing the story was indecent the magazine s editor deleted roughly five hundred words before publication without wilde s knowledge despite that censorship the picture of dorian gray offended the moral sensibilities of british book reviewers some of whom said that oscar wilde merited prosecution for violating the laws guarding public morality in response wilde aggressively defended his novel and art in correspondence with the british press although he personally made excisions of some of the most controversial material when revising and lengthening the story for book publication the following year

the picture of dorian gray begins on a beautiful summer day in victorian england where lord henry wotton an opinionated man is observing the sensitive artist basil hallward painting the portrait

of dorian gray a handsome young man who is basil s ultimate muse while sitting for the painting dorian listens to lord henry espousing his hedonistic world view and begins to think that beauty is the only aspect of life worth pursuing prompting dorian to wish that his portrait would age instead of himself under lord henry s hedonistic influence dorian fully explores his sensuality he discovers the actress sibyl vane who performs shakespeare plays in a dingy working class theatre dorian approaches and courts her and soon proposes marriage the enamoured sibyl calls him prince charming and swoons with the happiness of being loved but her protective brother james warns that if prince charming harms her he will murder him dorian invites basil and lord henry to see sibyl perform in romeo and juliet sibyl too enamoured with dorian to act performs poorly which makes both basil and lord henry think dorian has fallen in love with sibyl because of her beauty instead of her acting talent embarrassed dorian rejects sibyl telling her that acting was her beauty without that she no longer interests him on returning home dorian notices that the portrait has changed his wish has come true and the man in the portrait bears a subtle sneer of cruelty conscience stricken and lonely dorian decides to reconcile with sibyl but he is too late as lord henry informs him that sibyl has killed herself dorian then understands that where his life is headed lust and beauty shall suffice dorian locks the portrait up and over the following eighteen years he experiments with every vice influenced by a morally poisonous french novel that lord henry wotton gave him one night before leaving for paris basil goes to dorian s house to ask him about rumours of his self indulgent sensualism dorian does not deny his debauchery and takes basil to see the portrait the portrait has become so hideous that basil is only able to identify it as his by the signature he affixes to all of his portraits basil is horrified and beseeches dorian to pray for salvation in anger dorian blames his fate on basil and stabs him to death dorian then calmly blackmails an old friend the scientist alan campbell into using his knowledge of chemistry to destroy the body of basil hallward alan later kills himself to escape the guilt of his crime dorian goes to an opium den where james vane is unknowingly present james had been seeking vengeance upon dorian ever since sibyl killed herself but had no leads to pursue as the only thing he knew about dorian was the name sibyl called him prince charming in the opium den however he hears someone refer to dorian as prince charming and he accosts dorian dorian deceives james into believing that he is too young to have known sibyl who killed herself eighteen years earlier as his face is still that of a young man james relents and releases dorian but is then approached by a woman from the opium den who reproaches james for not killing dorian she confirms that the man was dorian gray and explains that he has not aged in eighteen years james runs after dorian but he has gone
