collects stories from ancient norse mythology including the creation of the world the tree of the universe and the end of the world with the battle of ragnarok

author shirley raye redmond allows your readers an enriching look at the mythology of the norse culture she explains how the beliefs values and experiences of this culture are represented in its treasured stories tales covered include creation stories and myths of the gods frost giants and heroes this volume has a map of scandinavia a genealogy grid with some of the major gods and prominent characters such as loki and his offspring a table of key characters with name pronunciations and brief descriptions a glossary sidebars fact boxes a bibliography of sources for further study and a subject index

this little volume is the outcome of several years experience in telling to classes of children the classic myths both southern and northern the insight and interest displayed by the children encourage the authors to hope that other teachers and pupils may enjoy the myths here reproduced the interest shown at present in the teaching of myths to children seems to call for some such simple volume giving the norse myths in suitable form for use with pupils as well as for the children s home reading there are various collections of the greek tales but the books dealing with the norse myths seem to be more or less cumbered with detail and therefore not adapted to very young readers the experience of the authors satisfies them that the teaching of myths should begin with those of the north and that the greek tales should be given later with comparisons and references to the norse myths the stories which were dear to our own northern forefathers stir our children more deeply and are more congenial to them than those which come down to us from the greeks this is perfectly reasonable

the graphic descriptions in the norse tales of the hard struggle with rugged nature and the severe climate of the north naturally come home more closely to us than the less rigorous and sturdy conditions of the southern nations then too the moral tone of the norse myths is higher purer and more steadfast than that of the greek tales and is more congenial to our teutonic point of view much depends of course upon the teacher s careful study of the myths and insight into their significance they should be presented in such manner as to awaken the interest of the children and lead them to make use of their own imagination the value of the norse myths has been urged by carlyle dasent anderson and others to me there is in the norse system something very genuine very great and manlike wrote carlyle a broad simplicity so very different from the light gracefulness of the old greek paganism distinguishes this norse system it is thought the genuine thought of deep rude earnest minds fairly opened to the things about them a face to face and heart to heart inspection of things the first characteristic of all good thought in all times anderson the author of norse mythology wrote in the norse mythology the centralizing idea is its peculiar feature in it lies its strength and beauty the one myth and the one divinity is inextricably in communion with the other and thus also the idea of unity centralization is a prominent feature and one of the chief characteristics of the teutonic nations while the greek mythology foreshadowed the petty states of greece and southern europe the norse mythology foreshadowed the political and social destinies of united scandinavia united great britain and the united states of north america the poetic period of the child s own race should be melted and moulded into poetry touched by a spark of christian refinement and love and then poured so to speak into his soul the child s mind should feed upon the mythological stories and the primitive folklore of his race while many works have been consulted in the preparation of this volume the authors are especially indebted to the following thorpe s translation of sǣmund s edda the

younger edda in translations anderson s norse mythology guerber s myths of northern lands william and mary howitt s literature and romance of northern europe and mallet s northern antiquities

norse myths have long fascinated millions around the world tales of norse gods like thor and loki have sustained the imaginations of adult and young people alike even into modern times indeed figures of norse legend have permeated into mainstream culture in the form of popular characters from television and film one god in particular has even given his name to a day of the week in norse mythology fascinating myths and legends of norse gods heroes and viking beliefs you will be exposed to the original tales of the gods the tales that modern depictions are ultimately inspired by norse myth has become a part of us in ways that we do not fully appreciate indeed the norse god thor has come to embody the ideal of strength and masculinity the trickster god loki on the other hand has come to represent some of the more sinister and unpredictable elements of man in fact the norse used their gods to embody those aspects of man s own nature that were often at war in norse mythology fascinating myths and legends of norse gods heroes and viking beliefs you will learn about all the gods by reading about the tales that formed the basis of the myths about them norse mythology fascinating myths and legends of norse gods heroes and viking beliefs explores the norse gods and the viking belief system through the tales told by people living at the time they told tales about the formation of the universe about how the universe was divided and how the gods and giants made war with one another because the viking belief system was reflected in these tales about their gods and historical figures learning about the gods and heroes in this way allows the reader to understand who the vikings were and why they were the world of norse myth was very different from our own the people at the heart of norse civilization living in modern day scandinavia northern germany as well as other

areas of norse settlement like iceland and the british isles these people were part of a culture so far removed from how we think and perceive today as to be almost unrecognizable but that does not mean that you must struggle to understand norse legends and the vikings who believed in them in norse mythology fascinating myths and legends of norse gods heroes and viking beliefs you will learn everything there is to learn about norse mythology you will learn the different groups of living things that existed in the universe how the universe was divided into nine worlds who the major gods and goddesses were who some of the important heroes were and how the speakers of old norse recorded the feats of gods and men in books called sagas these sagas told the tales of the great figures of norse legend in norse mythology fascinating myths and legends of norse gods heroes and viking beliefs you will learn some of these tales including the tale of odin s eye and mimir s head the unusual wedding of freyja loki and his strange children the death of baldr the kidnapping of idun the birth of sigurd and ragnarok the twilight of the gods buy now to learn more than you ever dreamed about norse gods and goddesses and viking beliefs

norse myths have long fascinated millions around the world tales of norse gods like thor and loki have sustained the imaginations of adult and young people alike even into modern times indeed figures of norse legend have permeated into mainstream culture in the form of popular characters from television and film one god in particular has even given his name to a day of the week in norse mythology fascinating myths and legends of norse gods heroes and viking beliefs you will be exposed to the original tales of the gods the tales that modern depictions are ultimately inspired by norse myth has become a part of us in ways that we do not fully appreciate indeed the norse god thor has come to embody the ideal of strength and masculinity the trickster god loki on the other hand has come to represent some

of the more sinister and unpredictable elements of man in fact the Norse used their gods to embody those aspects of man's own nature that were often at war in Norse mythology. Fascinating myths and legends of Norse gods, heroes, and Viking beliefs you will learn about all the gods by reading about the tales that formed the basis of the myths about them. Norse mythology, fascinating myths and legends of Norse gods, heroes, and Viking beliefs explores the Norse gods and the Viking belief system through the tales told by people living at the time they told tales about the formation of the universe, about how the universe was divided, and how the gods and giants made war with one another because the Viking belief system was reflected in these tales about their gods and historical figures. Learning about the gods and heroes in this way allows the reader to understand who the Vikings were and why they were. The world of Norse myth was very different from our own. The people at the heart of Norse civilization, living in modern-day Scandinavia, Northern Germany, as well as other areas of Norse settlement like Iceland and the British Isles, these people were part of a culture so far removed from how we think and perceive today as to be almost unrecognizable. But that does not mean that you must struggle to understand Norse legends and the Vikings who believed in them. In Norse mythology, fascinating myths and legends of Norse gods, heroes, and Viking beliefs, you will learn everything there is to learn about Norse mythology. You will learn the different groups of living things that existed in the universe, how the universe was divided into nine worlds, who the major gods and goddesses were, who some of the important heroes were, and how the speakers of Old Norse recorded the feats of gods and men in books called sagas. These sagas told the tales of the great figures of Norse legend. In Norse mythology, fascinating myths and legends of Norse gods, heroes, and Viking beliefs, you will learn some of these tales, including the tale of Odin's eye and Mimir's head, the unusual wedding of Freyja, Loki, and his strange children, the death of Baldr, the

kidnapping of idun the birth of sigurd and ragnarok the twilight of the gods buy now to learn more than you ever dreamed about norse gods and goddesses and viking beliefs
