the japanese have faithfully preserved their ancient myths as a connected and well
ordered system and as a system japanese myths say much about the human condition in
the cosmos and about the human place in the cosmic order not until now has a book
length english language study been released on japanese mythology drawing on his
meticulous research asianist peter metevelis presents this selection of analytic essays
that form a mosaic of themes on the primordial world of japanese myth adding a
rewarding voice to cultural history and the history of ideas around the world metevelis
shows that contrary to popular belief japanese myths have much in common with other

myths around the globe and are mythically logically and symbolically equivalent this suggests that japanese culture has always resonated with the rest of the world and provides a valuable touchstone for comparative mythologists the mythic themes metevelis explores include linkage of birth with death loss of immortality containment of souls effect of time on mortals creation of the cosmos and many more this incomparable volume also includes detailed notes bibliographies and appendices to help further your knowledge of japanese myth under metevelis s expert guidance you can expand your understanding of the japanese myth system its structure and its principal actors and immerse yourself in the ancient japanese mysteries of the cosmos

to go beyond the work of a leading intellectual is rarely an unambiguous tribute however when gideon toury founded descriptive translation studies as a research based discipline he laid down precisely that intellectual challenge not just to describe translation but to explain it through reference to wider relations that call offers at once a common base an open and multidirectional ambition and many good reasons for unambiguous tribute the authors brought together in this volume include key players in translation studies who have responded to toury s challenge in one way or another their diverse contributions address issues such as the sociology of translators contemporary changes in intercultural relations the fundamental problem of defining translations the nature of explanation and case studies including pseudotranslation in renaissance italy sherlock holmes in turkey and the coffee and sugar economy in brazil all acknowledge translation studies as a research based space for conceptual coherence and creativity all seek to explain as well as describe in this sense we believe that toury s call has been answered beyond expectations

one of the earliest exponents of the short story prosper mérimée wrote the universally acclaimed tale carmen which provided the basis for one of the world s most popular operas in addition to this classic tale the collection includes colomba mateo falcone the storming of the redoubt tamango the etruscan vase the game of backgammon the venus of ille and lokis

kenosis a greek word meaning depletion or emptying and a concept borrowed from christian theology has deeply profound implications for understanding and ordering life in a world marked by suffering and death whereas the divine kenosis was voluntary human beings experience an involuntary kenosis which is characterized by the inevitable losses experienced during the lives of mortal creatures how one chooses voluntarily to respond to this involuntary kenosis regardless of faith commitments in effect defines us both in our relationships with other suffering creatures and with the entire cosmos this book offers a unique perspective on how the losses of involuntary kenosis choreograph the suffering which is such a defining aspect of the lives of persons communities and the environment in which they live and how the kenotic process rather than being a source of despair can be a source of hope presenting opportunities for extraordinary personal growth

in this volume is considered various things about life and living we will analyze some of what is evil and consider some of the universally good things the world is mostly good however some men have corrupted it with their greed and immorality lying fools have captured many important positions and control unimaginable wealth those control very large segments of the information and publishing industries those have assumed responsible positions in government and finance those are the wealthy of today millionaires and billionaires much of such wealth is earned from illicit means those are slowly strangling the civilization and the people of a wonderful world what can the good people do such men are alien to decency they have no respect for their fellow man those are arrogant and self assured in their contempt for others of their kind those are liars thieves and hypocrites those are greedy and sinful men that exploit all manner of opportunity those are exclusive and stand apart from most other men and they have no shame some live in the finest places fit for a king while being less than the lowest of creatures the contest is as it has always been the contest is between god as father son and holy ghost and the devil as is found hiding in weak dull and corruptible men both exist as an idea and a spirit and cannot be discounted both are a part of humanities destiny
