this rugby football union s refereeing handbook is intended as a source of guidance for those wishing to become qualified referees for referees who are already qualified and for interested players coaches and spectators this second edition has been thoroughly revised and updated and includes helpful sections on the referee s general management of the game the scrum line out ruck and maul the effective application of the advantage law officiating offside and obstructing in open play the referee s positioning official s physical fitness and the demands of touch judging

a genuine presence on the field Owen refereed with the perfect balance of respect and authority Keith Wood highly respected with vast experience and knowledge Owen Doyle contributed hugely to the world of rugby refereeing both on and off the field Nigel Owens Owen Doyle was a highly respected referee who officiated matches with passion commitment knowledge and occasionally some great humour Will Carling with a foreword by Donal Lenihan Owen Doyle is an Irish Times columnist and former Irish rugby test match referee here in his frank revealing and often humorous memoir the ref s call he gives a behind the scenes glimpse into the high pressured world of international rugby from the

processes involved in becoming a referee to officiating in the five nations touring internationals and a world cup doyle takes us through the most memorable matches of his career and how following his retirement he became instrumental in coaching the most successful generation of referees in the irfu s history covering over forty years of rugby and written in his own inimitable style doyle looks at the challenges facing modern rugby particularly the issues of concussion and dementia to give a fascinating insight into the great game told from a unique perspective

this book explores issues related to the abuse of referees and match officials in sport drawing on original empirical research in football rugby union rugby league and cricket it provides an insight into the complexities involved in the recruitment retention and development processes of match officials from across the global sports industry using an evidence based approach the book examines why abuse occurs the operational environments in which match officials operate and underlying issues and trends that cut across sports and therefore can be linked to wider societal trends it challenges global sport policy and discusses the development of an inclusive cohesive and facilitative environment for match officials players coaches and spectators to ensure the future provision of global sport referees match officials and abuse is an invaluable resource for all students scholars and national governing bodies of sport with an interest in match officials sports governance sport policy sport management and the sociology of sport

a day to day diary of the only australian referee at the rugby union world cup in france 2007 match commentary rugby laws and tactics highs and lows provided by publisher

a referee can t make a bad game good but he can make a good game bad based on this assumption derek bevan became one of the world s best and best known rugby union referees he retired at the end of the 1999 2000 season aged fifty after a quarter of a century as the man in the middle during that long career he refereed in all four world cups including the 1991 world cup final almost 50 internationals four welsh cup finals world cup sevens hong kong sevens dubai sevens and the students world cup final forced to stop playing by an industrial accident he d been sent off three times as an aggressive flanker his love for rugby turned bevan to refereeing and brought a prominence that he would never have achieved as a player he saw huge changes in the game player professionalism in terms of money and on field attitude world cups the growing importance of the smaller nations television money the development of the irb and national unions rule changes to make the game more popular in short a new rugby culture in his autobiography bevan explores the changing game the great matches the great players modern refereeing and the future for referees he also owns up to a few mistakes and deals honestly with the louis luyt affair in a book which charts rugby at international and club level over the last thirty years

this book is packed full of useful advice on the laws of rugby union including all the latest changes now all those seeking to understand more about the rules and regulations can find an answer to every question in this invaluable guide to the game

wayne barnes one of the most experienced international referees in history and criminal barrister to boot uniquely lifts the lid on a lifetime of trying to keep the biggest names in the sport on best behaviour there aren t many people who can say they ve been the thirty first man on the pitch during a world cup humdinger grand slam decider or premiership and european cup final listened to the sobs of a 20 stone prop as he tries to belt out his national anthem heard the crunch of bones after some of the mightiest hits known to the

game or been yards away from the greatest players of the last twenty years doing almost impossible things with a rugby ball especially when you're a working class lad from the forest of dean wondering how you ever got there in the first place candid humble and warmly told throwing the book is a definitive account of what it means to be a rugby referee and a love letter to the sport that has provided wayne with so much covering his childhood days family life career highs and lows side step into law as well as what's next in store for wayne both on and off the pitch this book reveals the man behind the referee for the very first time serious when it needs to be but also rich in good humour and humanity throwing the book is a memoir to remember
