save her family's future. Mina Grime will have to travel to the past with the help of her fae godmother and a pair of magic shoes. Wendy doesn't remember anything about Neverland or the experiments done on her there as a child. Seven years later, all she wants is a normal life, but shape-shifting shadows plague her dreams and turn her life into a waking nightmare when the shadows attack at a football game and a boy disappears right in front of her. She realizes these wraith-like shadows are real; they're not just haunting; they're hunting a mysterious boy named Peter. His foul-mouthed sidekick and a band of misfit boys intervene before Wendy faces a similar fate, but can they trust Wendy enough to take her to Neverwood Academy and reveal all of their hidden secrets when she's hiding a secret of her own or will the dreaded red skulls find her and drag her back to Neverland?

Something evil this way comes: 7 vengeful sisters, 7 fairytale kingdoms, 7 daughters of evil. Everyone dreams of marrying a prince, except for me. I am nothing more than a pawn in my adoptive mother's diabolical plot against the seven kingdoms. I was the chosen tool, her sharpened blade that would cut the deepest into the heart of the kingdom of Baist. But like all deadly weapons, my wedding is a two-edged sword that could cost me my soul. For I am Rosalie, one of the adopted daughters of Lady Evile, and it is my duty to enter into a loveless and hate-filled marriage with the narcissistic crown prince of Baist. My choices and heart are not my own to give yet. Even in the thick of dire situations, beastly vengeance can give way to beautiful attraction. This book can be read as a standalone.

Not all shadows are monsters, and some were never meant to die. Wendy is on a quest for vengeance after Hook kidnapped the Lost Boys and destroyed their school. Stuck as a shadow, Peter's body is weakening because each time he dies and regenerates, it may be his last. Meanwhile, Wendy is running out of time to track down Hook, save the boys, and rescue Peter before he's lost as shadow forever. But a surprising clue leads to the mysterious island where it all began: Neverland. Right when they believe the nightmare is over, they find the game is just beginning.

Kira Lier thought she had escaped Underland and the monsters within, but her freedom was only an illusion, an extravagant lie created by the underlords to keep her imprisoned. For the underlord won't let her slip through their grasp. She has been chosen by the fates to save Underland because their world is dying, and their only hope lies in Kira surviving the deadliest game: the labyrinth.
