Larry L. Rasmussen offers a dramatic new way of thinking about human society ethics and the health of our planet rejecting the modern ethical assumption that morality applies to human society alone earth honoring faith argues that we must derive a system of ethics and morality that accounts for the wellbeing of all creation on earth

Guardians of the First Flame is the opening volume in the Esoteric Traditions of the World Series a seven part initiatory journey into the world's most profound hidden and nearly forgotten spiritual systems this first volume is devoted to earth's primordial lineages those that emerged not from scripture or empire but from dream drum fire wind and the breath of the living land these are the root traditions the spirit keepers fire tenders dream trackers and cosmological elders who shaped a sacred relationship between human beings and the seen and unseen worlds long before doctrine or hierarchy there was transmission through symbol song and silence these traditions are not remnants they are living embers and in this time of planetary forgetting they burn with renewed urgency this volume presents fifteen systems of sacred knowledge each explored with

spiritual reverence and cultural depth the lineages include bon tibet sky gazers and spirit keepers whose cosmic vision shaped one of the world s oldest spiritual frameworks kalasha pakistan a mountain people dancing between milk and myth guarding a worldview of joy nature and embodied divinity kogi colombia the elder brothers who never forgot still warning us from the sierra nevada that we ve lost our way san bushmen southern africa healers and fire carriers of the oldest continuous human culture on earth aboriginal dreamtime australia the songlines that created the world and still sing its truth sámi noaidi lapland shamans of wind and drum whose trance journeys keep the arctic sky alive ainu animism japan bear worshippers river singers and survivors of an erased indigenous japan tengerism mongolia sky worship shamanic flight and the eternal blue canopy of the mongolian steppes mapuche chile earth warriors and ancestral dreamers rising again in the shadow of colonial trauma yoruba ifá nigeria a living oracle tradition where the soul walks the path of destiny guided by ori kemetism ancient egypt more than pyramids this is ma at cosmic alignment and the geometry of the soul vedic fire priests india ritualists of flame whose ancient chants awaken the structure of the cosmos hawaiian huna pre missionary hidden knowledge of the breath body and sacred mana between islands zoroastrians iran india fire temples and eternal truths from one of the world s earliest dualistic philosophies mandaeans iraq iran gnostic baptizers of light surviving through rivers stars and secret script each chapter is a doorway not into a museum of old beliefs but into living wisdom streams still pulsing beneath modern noise each system is approached with spiritual integrity avoiding appropriation and stereotype while emphasizing what can be responsibly transmitted and remembered this is not a history book nor is it spiritual tourism this is a torch passing the reader is invited not only to learn but to remember to remember what the soul already knows to reawaken that quiet ember within the one that responds when it hears the drum smells the smoke or feels the earth humming a language older than thought volume i is the foundation the first flame and prepares the reader for the deeper darker and more dangerous lineages that follow in later

volumes but without these roots there can be no ascent in a world of forgetting this is a book of remembering let the first flame be lit
