I like to think of the work of the Holy Spirit in the lives of men and women as art. Spiritual life is not just a gift; it is a skill we must work to develop. Using Paul's letter to the Philippians as her guide, bible teacher Jill Briscoe uncovers eight spiritual arts that Christians are called to practice regularly: contentment, intimacy, suffering, simplicity, ministry, tranquility, humility, and harmony. Jill pulls no punches in challenging Christian readers to do their part. *Spiritual Arts* is a discovery study of practices we need to learn if we are to live life as God intended: full of great joy, deeper intimacy with God, and an exciting impact in the lives of others. With patience, wit, and probing questions, Jill challenges the faithful to a different ethic and a more active, focused way to follow Christ.

This book examines the art and writings of Wassily Kandinsky, who is widely regarded as one of the first artists to produce non-representational paintings. Crucial to an understanding of Kandinsky's intentions is *The Spiritual in Art*, the celebrated essay he published in 1911, where most scholars have taken its repeated references to spirit as signaling quasi-religious or mystical concerns. Florman argues instead that Kandinsky's primary frame of reference was G.W.F. Hegel's aesthetics, in which art had similarly been presented as a vehicle for the developing self-consciousness of spirit or *Geist* in German. In addition to close readings of Kandinsky's writings, the book also includes a discussion of a 1936 essay on the artist's paintings written by his own nephew, philosopher Alexandre Kojève, the foremost Hegel scholar in France at that time. It also provides detailed analyses of individual paintings by Kandinsky, demonstrating how the development of his oeuvre challenges Hegel's views on modern art yet operates in much the same manner as does Hegel's philosophical system through the work of a single crucial artist. Florman presents a radical new account of why painting turned to abstraction in the early years of the twentieth century.
