how to keep any nonprofit out of trouble running smoothly and accomplishing its mission jack siegel lawyer accountant management consultant and computer whiz takes the putative director or officer of a nonprofit organization on a useful and often entertaining voyage throughout the realm of the tax exempt organizations universe pointing out its quirks foibles and legal liabilities along the way his handbook will make mandatory and arresting reading for those who are already serving as trustees directors officers and key employees of exempt organizations particularly charitable

ones siegel's goal in which he succeeds is to help directors and officers of nonprofit organizations make better decisions the book is full of large policy analyses and paragraphs on the details such as board size board committees board meeting formats the contents of minutes and the duties of officers salted with some excellent real life examples what also sets this book apart from most in its genre is the tone the writing style the brusqueness the bluntness he complains that too many directors check their good judgment at the boardroom door he advises individuals who desire agreement and demand adulation to stay off boards he insists on commitment and institutional tension with the executive director he warns prospective directors that some organizations want in addition to time and judgment either your money or your ability to raise money to my delight he extols the virtues of some level of expenditures for qualified lawyers and accountants please join me in adding this most helpful handbook to your nonprofit library  
bruce r hopkins attorney at law author of the law of tax exempt organizations eighth edition and starting and managing a nonprofit organization a legal guide fourth edition

central to the christian life is the practice of prayer but what theologically speaking is going on when we pray what does prayer have to do with religious belief and action does prayer make a difference prayer a guide for the perplexed addresses these and other key questions regarding the christian theology of prayer beginning with evagrius of ponticus's on prayer ashley cocksworth finds in this early document a profound expression of the integrity of the experience of prayer and theological thought seeking throughout to integrate systematic theology and the spirituality of prayer individual chapters explore the meaning of some of the core doctrines of lived christian faith the trinity creation providence and the christian life as they relate to the practice of prayer complete with an annotated bibliography of sources on prayer to promote further reading this volume appeals to academics and general readers alike

catechumens and candidates will quickly learn that Jesus Christ will be their focus throughout their journey through the catechumenate. They will learn what they need to do to become Catholic too, of course, as they discern, pray, worship, break open the Word, and try to live their daily lives as followers of Christ. Nick Wagner guides catechumens and candidates through the entire process of preparing for baptism: the rite of election, the scrutinies, keeping Lent, celebrating the Triduum, baptism or acceptance at the Easter Vigil, and life after baptism. This is a warm and wonderful companion for parish catechumens and candidates; one they will value and treasure long after they become Catholics.

Are you searching for a deeper connection to something greater than yourself but feel overwhelmed by religious dogma or intimidated by the complexities of faith? Then *Finding Faith: A Simple Guide for Normal People* is your answer. This accessible and encouraging guide offers a refreshing perspective on spirituality, stripping away the jargon and focusing on the core principles of faith that resonate with everyday life.
