this student guide is exceptional maybe even unique among such guides in that its author fred soon was actually a student user of the textbook during one of the years we were writing and debugging the book he was one of the best students that year by the way because of his background fred has taken in the guide the point of view of an experienced student tutor helping you to learn calculus while we do not always think fred s jokes are as funny as he does we appreciate his enthusiasm and his desire to enter into communication with his readers since we nearly always agree with the mathematical judgements he has made in explaining the material we believe that this guide can serve you as a valuable supplement to our text to get maximum benefit from this guide you should begin by spending a few moments to acquaint yourself with its structure once you get started in the course take advantage of the many opportunities

which the text and student guide together provide for learning calculus in the only way that any mathematical subject can truly be mastered through attempting to solve problems on your own as you read the text try doing each example and exercise your self before reading the solution do the same with the quiz problems provided by fred

for most students college is a time for intellectual growth self development and maturing into adulthood unfortunately for some of us it is also when depression hits and causes us to struggle in making progress toward our future goals a student s guide to coping with depression in college by dr jeff anstine was written to help students just entering or currently attending college who suffer from depression dr anstine s focus in this book is how to navigate the college experience while coping with the effects of depression he provides specific advice on how to study what classes to take and other practical suggestions so that students do not derail their college careers and can graduate on time in addition dr anstine offers suggestions for jobs and careers that may fit well with certain personalities while providing examples of individuals who have succeeded in their careers in spite of their depression or excelled because of it to encourage students to keep pushing forward
