a practical guide to the famed medieval book of pre kabbalistic jewish magic freshly interpreted and revealed for the first time with instructions on how to use the spells the sword of moses is one of the earliest jewish magic books which describes a rite for adjuring angels to assist in controlling and wielding the sword of moses for magical purposes the rite involves a short period of purification and then the adjuring of four sets of angels each higher than the last these angels in turn give the magician the power to control the sword through a series of divine names that work as magical spells the spells 137 in all have a wide variety of uses including healing harm love sex exorcising demons divination and more this work was first translated by moses gaster in 1896 but he removed many of the spells making the text unusable for magic the magic of the sword of moses is the first book to show in detail exactly how a magician can use the sword how to do the purification ritual adjure the angels and pronounce and use the divine names for each spell

there have been a few versions of the sword of moses with various authors gaster version being the most famous all have one thing in common the words in the sword of moses the conjuration of the sword are encoded and unreadable which in my belief renders it useless as a workable system so in this book i have replaced theses words of power with a readable format which are as equal if not more effective than the original i hope you enjoy this version of the conjuration of the sword of moses

this is a new release of the original 1896 edition

a espada de mois̄s a espada de mois̄s o t̄tulo de um livro de magia judaico ap̄crifo editado por moses gaster na palestina em 1896 a partir de um manuscrito do s̄culo xiii ou xiv de sua pr̄pria coleção 1 anteriormente ms gaster 78 atualmente london british library ms or 10678 gaster assumiu que o texto o anterior ao s̄culo 11 com base em uma carta de rav hai gaon 939 1038 que menciona o livro ao lado de sefer ha yashar descrito como outro livro de fórmulas e que pode at̄ j̄ nos primeiros quatro s̄culos ec al̄m do manuscrito medieval usado por gaster um pequeno fragmento do texto sobrevive em cod oxford 1531 uma nova edição critica foi

magic has exercised the deepest influence upon mankind from remote antiquity unto our own days it either formed part of the religion of the country as it was the case in ancient egypt and babylon and as it is now in some forms of buddhism tibet or lived an independent life side by aide with the recognized religion in some instances it was tolerated or rendered less obnoxious by a peculiar subdivision into white or beneficial and black or evil magic or was downright persecuted wherever we go however and especially if we turn to the popular beliefs that rule the so called civilized nations we shall always and everywhere find a complete system of magical formulas and incantations the belief in the witch and wizard and their powerful filters and charms holds still stronger sway upon human imagination than appears at first sight

there have been a few versions of the sword of moses with various authors gaster version being the most famous all have one thing in common the words in the sword of moses the conjuration of the sword are encoded and unreadable which in my belief renders it useless as a workable system so in this book i have replaced theses words of power with a readable format which are as equal if not more effective than the original i hope you enjoy this version of the sword of moses rewritten

the sword of moses variously dated to the 14th century or before to perhaps the 10th contains perhaps the most strange array of folk magick fused with kabbalistic and angelic content ever made containing conjurations that invoke the very name of the judeochristian deity it professes to allow the user control over the armies of the same god for various purposes from protecting oneself to securing fortune to destroying foes

over one hundred names and forces are invoked following the sword itself in the form of invocation in order to provide this power this edition contains a full list of the magical names of the rituals themselves and has been updated to modern english

in many near eastern traditions including christianity judaism and islam demons have appeared as a cause of illness from ancient times until at least the early modern period this volume explores the relationship between demons illness and treatment comparatively its twenty chapters range from mesopotamia and ancient egypt to early modern europe and include studies of judaism christianity and islam they discuss the relationship between demonic illnesses and wider ideas about illness medicine magic and the supernatural a further theme of the volume is the value of treating a wide variety of periods and places using a comparative approach and this is highlighted particularly in the volume s introduction and afterward the chapters originated in an international conference held in 2013 ultimately demons and illness admirably performs the important task of reminding modern scholars of premodern health of the integral role played by these complex and shifting entities in the lives of people across the globe and through the centuries rachel podd fordham university in social history of medicine 32 3 2019 given the sheer breadth of its scope the volume is of course illustrative rather than comprehensive in its coverage yet there is a definite coherence to its content aided by the introduction and afterward which bookend the work and help begin to draw out the threads of commonality and difference as such it constitutes a significant and welcome resource for comparative explorations of historical cultural links between demons illness medicine and magic while offering a clear invitation to future work matthew a collins journal for the study of the old testament 43 5 2019

scripture s greatest stories and most compelling characters come to life in this sweeping new novel by roma downey and mark burnett beginning with the creation of man and ending with the revelation of a new world readers will revel in this epic saga of warriors rebels poets and kings all called upon by god to reveal his enduring love for mankind ultimately god s plan is fulfilled in the story of jesus the messiah whose life death and resurrection brings salvation to one and all a story of god and all of us is a
