first published in 1995 this book focuses on the role and significance of texts and textualism for

anthropology and ethnography and more specifically the understanding of particular aspects of icelandic society and history the discussion is centred on a range of issues moving between general social theory and ethnographic details the immediate present and the distant past language and production fieldwork and the act of writing texts sagas novels and ethnographies and real life in each case however it draws attention to what may be called a pragmatist approach a concern with action and agency as they constitute and are constituted by social life such an approach i hold is an important and timely remedy to current textualism the trendy theoretical tradition often described as the linguistic turn

the essays in this volume explore the myriad ways in which caste varna and jati has been theorized and critiqued in multiple philosophical religious logical and narrative traditions in india spanning ancient medieval and modern times and in diverse classical and vernacular languages the chapters show how the social fact of caste and imaginations of kinship community and humanity were historically subject to epistemological spiritual and existential debate in both elite and popular circles in india textual lives of caste across the ages seeks to bridge the interdisciplinary gap between historians and sociologists by focusing on texts that help us think across the sociological and philosophical the political and the religious the epistemological and the aesthetic and indeed the elite and the popular the volume also sets up a conversation between scholars specializing in different regions archives and historical periods and demonstrates how caste imaginaries have been deeply diverse and contested in india s past reconstructing these diverse traditions of social and existential criticism helps us in our contemporary struggles against caste hierarchy and untouchability and enriches our contemporary critical repertoire

this is a pre 1923 historical reproduction that was curated for quality quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process though we have made best efforts the books may have occasional errors that do not impede the reading experience we believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide
