pigs are one of the most iconic but also paradoxical animals ever to have developed a relationship with humans this relationship has been a long and varied one from noble wild beast of the forest to mass produced farmyard animal from a symbol of status and plenty to a widespread religious food taboo from revered religious totem to a parodied symbol of filth and debauchery pigs and humans brings together some of the key scholars whose research is highlighting the role wild and domestic pigs have played in human societies around the world over the last 10 000 years the 22 contributors cover a broad and diverse range of temporal geographical and topical themes grounded within the disciplines of archaeology zoology anthropology and biology as well as art history and history they explore such areas as evolution and taxonomy domestication and husbandry ethnography and ritual and art and present some of the latest theories and methodological techniques the volume as a whole is generously illustrated and will enhance our understanding of many of the issues regarding our complex and ever changing relationship with the pig

antimicrobials are widely used in both humans and livestock and have greatly contributed to better human and animal health however these benefits are being threatened by the global emergence of antimicrobial resistance amr because humans and animals often share the same bacteria and may be treated with the same types of antibacterial drugs resistance to antibiotics is the most critical aspect of amr for the livestock sector one way to mitigate the emergence of amr is to reduce the overall use of antibiotics by combining prudent and medically rational use with other disease preventive measures this manual will contribute to addressing the challenge of amr by promoting the prevention of infections and the prudent use of antibiotics in the pig and poultry sectors the livestock sectors that generally have the highest use of antibiotics it should be regarded as a practical complement to national governance and regulatory measures the manual is intended to assist pharmacists veterinarians other animal health workers farm owners and their staff in using antibiotics in a prudent and medically efficient way without loss in productivity it is especially targeted to farmers with commercialized medium or large scale production veterinarians and other animal health personnel in non eu eastern european and balkan countries the caucasus and central asia who are dealing with pigs and poultry however in many cases the principles and practices described here are universally useful and may be applied elsewhere

these are seven stories based on the folklore of sierra leone the cunning rabbit is the anansi in that tradition when stories are told in sierra leone folklore the storyteller starts by saying ill meaning that something has gone wrong the listeners respond by asking how then the story unfolds to explain what went ill

inventive and amusing new twists on the classic fairy tales told by top authors

the modern classic with over two million copies sold the big bad wolf tells his side in this fractured fairy tale brought to life with irreverent storytelling and artwork that older kids and adults will find very funny school library journal a new york times best book of the year american booksellers association picture book hall of fame society of

illustrators silver medal new york public library 100 great children s books for 100 years an american library association notable book you may think you know the story of the three little pigs and the big bad wolf but only one person knows the real story that person is a wolf his tale starts with a birthday cake for his dear old granny a bad head cold and a bad reputation it ends in the big house the pig pen what really happened when a wolf was at the door was it an historic pig out or a mother goose frame up you read it you decide jon scieszka and lane smith combine their talents for droll tales and provocative reporting to bring the true story of this much maligned figure to the public big and bad could be hilarious of course
