readers will examine the historical events leading up to and following china s 1989 tiananmen square protests this volume looks at issues surrounding the incident such as the impact on democracy the relationship between economic and political reform in china and the legitimacy of the tiananmen papers of 2001 it also offers personal perspectives from people affected by the protests

public protests are a vital tool for asserting grievances and creating temporary yet tangible communities as the world becomes more democratic and urban in the twenty first century while the political and social aspects of protest have been extensively studied little attention has been paid to the physical spaces in which protests happen yet place is a crucial aspect of protests influencing the dynamics

and engagement patterns among participants in the design of protest tali hatuka offers the first extensive discussion of the act of protest as a design that is a planned event in a space whose physical geometry and symbolic meaning are used and appropriated by its organizers who aim to challenge socio spatial distance between political institutions and the people they should serve presenting case studies from around the world including tiananmen square in beijing the national mall in washington dc rabin square in tel aviv and the plaza de mayo in buenos aires hatuka identifies three major dimensions of public protests the process of planning the protest in a particular place the choice of spatial choreography of the event including the value and meaning of specific tactics and the challenges of performing contemporary protests in public space in a fragmented complex and conflicted world numerous photographs detailed diagrams and plans complement the case studies which draw upon interviews with city officials urban planners and protesters themselves

how successful are social movements and left parties at achieving social and political change how if at all can movements and parties work together to challenge existing hierarchies is the political left witnessing a revival in contemporary politics this book highlights some of the key achievements of left parties and protest movements in their goal of challenging different types of inequality and considers the ways in which their challenge to authority and power could be intensified it combines new theoretical ideas with rich empirical detail on the debates and concrete activities undertaken by left parties and protest movements over a broad historical period from the early european labour movement to the recent anti austerity global protests the book will offer unique insight into the broad history and theory of emancipatory politics as well as making an important contribution to ongoing debates between left leaning academics researchers and activists

protest and political violence are concerns of global importance in the twenty first century this dictionary brings together in one comprehensive volume a number of key issues relating to the conduct of protest and political violence and the response of the state and police to such activities

taking an interdisciplinary approach an introduction to global studies presents readers with a solid introduction to the complex interconnected forces and issues confronting today s globalized world introduces readers to major theories key terms concepts and notable theorists equips readers with the basic knowledge and conceptual tools necessary for thinking critically about the complex issues facing the global community includes a variety of supplemental features to facilitate learning and enhance readers understanding of the material

this collection aims to illustrate the variety of different islamic mediated expressions both in muslim majority and muslim minority contexts the study of the myriad of ways in which islam is mediated in today s world is important because the media both traditional i e print and

broadcast and new social online are a battleground for the meaning and nature of islam different discourses about islam are vying for public attention because to be in the spotlight means to be influential from everyday accounts of religious experience through reformist conservative and reactive narratives it is possible to observe many claims to religious authority as well as different islamic religious identities with a full index together with a comprehensive introduction newly written by the editor which places the collected material in its historical and intellectual context islam and the media is a crucial work of reference it is destined to be valued by scholars students and researchers as a vital resource
