under the 1737 licensing act covent garden dury lane and regional theatres royal held a monopoly on the dramatic canon this work explores the presentation of foreign cultures and ethnicities on the popular british stage from 1750 to 1840 it argues that this illegitimate stage

was the site for a plebeian enlightenment

in the fall of 1723 two london theaters staged almost simultaneously pantomime performances of the faust story unlike traditional five act plays pantomime a bawdy hybrid of dance music spectacle and commedia dell arte featuring the familiar figure of the harlequin at its center was a theatrical experience of unprecedented accessibility the immediate popularity of this new genre drew theater apprentices to the cities to learn the new style and pantomime became the subject of lively debate within british society alexander pope and henry fielding bitterly opposed the intrusion into legitimate literary culture of what they regarded as fairground amusements that appealed to sensation and passion over reason and judgment in harlequin britain literary scholar john o brien examines this new form of entertainment and the effect it had on british culture why did pantomime become so popular so quickly why was it perceived as culturally threatening and socially destabilizing o brien finds that pantomime s socially subversive commentary cut through the dampened spirit of debate created by robert walpole s one party rule at the same time pantomime appealed to the abstracted taste of the mass audience its extraordinary popularity underscores the continuing centrality of live performance in a culture that is most typically seen as having shifted its attention to the written text in particular to the novel written in a lively style rich with anecdotes harlequin britain establishes the emergence of eighteenth century english pantomime with its promiscuous blending of genres and subjects as a key moment in the development of modern entertainment culture

emma takes a job as a maid at a high class party to help pay off her late father s debts once upon a time these parties had been her life caught up in the spell of nostalgia emma makes a disastrous mistake on the job her boss tries to take advantage of her vulnerability and forces himself on her that is until jack westwood the new earl of redminster intervenes he claims emma is his wife to scare off her boss but his claim isn t far from the truth it s been six years since emma has seen jack her estranged husband and now he s back in the picture

concealing her identity as a princess mariabella was living a quiet life in a small seaside town while running her own gallery one day an unexpected guest visits the town and begins to disturb the peace his name is jake a young real estate company ceo who is trying to transform the town into a major resort will jake strip mariabella of the only place she can live freely to thwart his plan mariabella decides to keep him close and travel with him jake is supposed to be her enemy and yet she soon finds herself falling for his appealing ways
