only someone who values land enough to farm a hillside for more than thirty years could write about a wild place so lovingly wendell berry just as easily steps into kentucky s red river gorge and makes the observations of a poet as he does step away to view his subject with the keen unflinching eye of an essayist the inimitable voice of wendell berry at once frank and lovely is our guide as we explore this unique wilderness located in eastern kentucky and home to 26 000 acres of untamed river rock formations historical sites unusual vegetation and wildlife the gorge very nearly fell victim to a man made lake thirty years ago no place is to be learned like a textbook berry tells us and so through revealing the gorge s corners and crevices its ridges and rapids his words not only implore us to know more but to venture there ourselves infused with his very personal perspective and enhanced by the startling photographs of ralph eugene meatyard the unforeseen wilderness draws the reader in to celebrate an extraordinary natural beauty and to better understand what threatens it

owsley county kentucky is well known by journalists academics and local historians as a quintessential example of rural poverty in appalachia this study identifies several reasons behind owsley county s ongoing struggle with poverty including the county s lack of natural resources a poor transportation system and a centralized socio political power structure controlled by the entrenched elite the author asserts that owsley county s economic hardships are far from unique but rather are representative of a significant number of appalachian counties and towns several tables and appendices provide useful demographic legislative and agricultural data

a groundbreaking study of the extraordinary photographers writers printmakers and publishers who formed a flourishing modernist community in kentucky dozens of american cities witnessed the founding of camera clubs in the first half of the 20th century though few boasted as many accomplished artists as the one based in lexington kentucky this pioneering book provides the most absorbing account to date of the lexington camera club an under studied group of artists whose ranks included ralph eugene meatyard van deren coke robert c may james baker hall and cranston ritchie these and other members of the lexington camera club explored the craft and expressive potential of photography they captured kentucky s dramatic natural landscape and experimented widely with different techniques including creating double and multiple exposures or shooting deliberately out of focus images in addition to compiling images by these photographers this book examines their relationships with writers publishers and printmakers based in kentucky at the time such as wendell berry guy davenport jonathan greene and thomas merton moreover the publication seeks to highlight the unique contributions that the lexington camera club made to 20th century photography thus broadening a narrative of modern art that has long focused on new york and chicago featuring a wealth of new scholarship this fascinating catalogue asserts the importance and artistic achievement of these often overlooked photographers and their circle

a sweeping cultural history the kentucky river reflects the rich tapestry of life along the banks flowing with tales of river ghosts and hidden treasures lying in the backwaters the book records the myths and events the river has spawned bill ellis also celebrates the kentucky s influence on such figures as writer wendell berry and painter paul sawyer beginning with an intriguing overview of the river s formation and characteristics ellis shows how the stream has helped shape kentucky s environment economy and political culture in centuries past flotillas of flatboats carried whiskey pork and valuable raw materials downriver to markets in louisiana later the river became a source of entertainment as showboats brought theater movies music and dancing to otherwise isolated communities the book describes the environmental impact of settlement logging mining and industrialization developments that have sometimes tainted the kentucky s mighty waters with silt sewage and trash in the last thirty years however kentuckians have come together in major efforts to clean and preserve the kentucky s waters and the life along its banks advocates for the river achieved a victory in protecting the stunning kentucky river palisades between boonesborough and frankfort and efforts continue to preserve the irreplaceable river for future generations

essayist social critic poet mad farmer novelist teacher and prophet wendell berry has been called many things but the broad sweep of his contemporary relevance and influence defies facile labels with his unique perspective and far reaching vision berry poses complex

questions about humankind and our relationship to the land and offers simple but profound solutions berry s essays novels and poems give voice to a provocative but consistent philosophy one that extends far beyond its agrarian core to include elements of sociology the natural sciences politics religion philosophy linguistics agriculture and other seemingly incompatible fields of study wendell berry life and work examines this wise and original thinker appraising his written work and exploring his influence as an activist and artist jason peters has assembled a broad variety of writers including hayden carruth sven birkerts barbara kingsolver stanley hauerwas donald hall ed mcclanahan bill mckibben scott russell sanders norman wirzba wes jackson and eric t freyfogle each contributor examines an aspect of berry s varied yet cohesive body of work also included are highly personal glimpses of wendell berry his career academic influence and unconventional lifestyle these deft sketches of berry show the purity of his agrarian lifestyle and demonstrate that there is nothing simple about the life to which he has devoted himself he embraces a life that sustains him not by easy purchase and haste but by physical labor and patience not by mindless acquiescence to a centralized economy but by careful attention to local ways and wisdom wendell berry life and work combines biographical sketches personal accounts literary criticism and social commentary together the contributors illuminate berry as he is a complex man of place and community with an astonishing depth of domestic intellectual filial and fraternal attributes the result is a rich portrait of one of america s most profound and honest thinkers

this volume of contemporary authors r new revision series brings you up to date information on approximately 250 writers editors have scoured dozens of leading journals magazines newspapers and online sources in search of the latest news and criticism writers appearing in this volume include martin amis jose donoso thor beyerdahl katie roiphe
