reprint of the original first published in 1875

pilgrimage dorothy richardson s thirteen volume opus of autobiographical fiction follows the entire arc of an independent woman s life in early twentieth century britain it is one of the major works of the modernist period indeed it is considered by many a classic of modernist literature in this book joanne winning argues in this book however that richardson s novels continue to be misunderstood in several important ways winning is the first critic to fully explore the issues of lesbian identity in the novels examining primary materials manuscript drafts and richardson s previously unstudied correspondence winning demonstrates that pilgrimage contains a carefully constructed though concealed subtext of lesbian desire and sexuality the pilgrimage of dorothy richardson explores the ways in which richardson used such cultural forms as sexology psychoanalysis and other lesbian and modernist literature of her time to create an intertextual dialogue about lesbian identity winning suggests that a sustained

reading of lesbian sexuality in pilgrimage is crucial to a more complete understanding of richardson s long and sometimes difficult work winning also places pilgrimage in the context of other works by female modernist writers that record lesbian identity this approach winning suggests is the first step toward recognizing and defining a literary movement that can be termed lesbian modernism as well as toward a deeper understanding of how lesbian modernist writers helped shape modernist literature as a whole

originally compiled and published in 1988 this volume contains the text and translation of the pilgrimmage of charlemagne and aucassin and nicollette alongisde textual notes and a bibliography for both

translated from the german from groote s edition of 1860 and edited with notes and an introduction this is a new print on demand hardback edition of the volume first published in 1946

originally published in 1915 this book is the first of two volumes describing the popular risings during the reign of henry viii known as the pilgrimage of grace and the exeter conspiracy volume one describes the political situation in 1536 that gave rise to the pilgrimage of grace and follows the development of the movement until the council at pontefract at the end of that year this book will be of value to anyone with an interest in english religious history and the reign of henry viii
