given the advanced state of digital technology and social media one would think that the democratic and republican parties would be reasonably well matched in terms of their technology uptake and sophistication but as past presidential campaigns have shown this is not the case so what explains this odd disparity political scientists have shown that republicans effectively used the strategy of party building and networking to gain campaign and electoral advantage throughout the twentieth century in prototype politics daniel kreiss argues that contemporary campaigning has entered a new technology intensive era that the democratic party has engaged to not only gain traction against the republicans but to shape the new electoral context and define what electoral participation means in the twenty first century prototype politics provides an analytical framework for understanding why and how campaigns are newly technology intensive and why digital media data and analytics are at the forefront of contemporary electoral dynamics the book discusses the importance of infrastructure the contexts within which technological innovation happens and how the collective making of prototypes shapes parties and their technological futures drawing on an analysis of the careers of 629 presidential campaign staffers from 2004 2012 as well as interviews with party elites on both sides of the aisle prototype politics details how and why the democrats invested more in technology

were able to attract staffers with specialized expertise to work in electoral politics and founded an array of firms to diffuse technological innovations down ballot and across election cycles taken together this book shows how the differences between the major party campaigns on display in 2012 were shaped by their institutional histories since 2004 as well as that of their extended network of allied organizations in the process this book argues that scholars need to understand how technological development around politics happens in time and how the dynamics on display during presidential cycles are the outcome of longer processes

how money and technology are changing canadian political campaigns

the nine essays that make up this volume provide cutting edge studies of how sacred tradition is given new expression through vision and interpretation the first four essays focus on the expansion of the sacred tradition primarily through vision the evolution of the solomon legacy from wise king to healer and exorcist is explored as well as its contribution to the demonology of the desert fathers especially as it concerns eroticism and sexual temptation the varied receptions of the revelation of the magi and shepherd of hermas are also considered the remaining five essays address important questions relating to polemic and violence in the pseudepigrapha how does the author of the liber antiquitatum biblicarum justify god s alternating judgment and favor how does enoch s animal apocalypse make use of the exodus tradition in its expression of deliverance on what basis can the author of qumran s war scroll confidently predict israel s vindication and finally what accounts for the appearance of the tradition of gehenna in which the wicked will meet their fiery end

at last bestselling author dinesh d souza exposes the powerful evidence of voting fraud that you were told didn t exist also a major motion picture documentary the fix was in the 2020 presidential election was rife with fraud orchestrated by the democratic party that s not just an accusation it s now thanks to bestselling author and investigative journalist dinesh d souza an established fact with eyewitness testimony and the pinpoint precision and analytic sophistication of the forensic technique of geotracking d souza demonstrates how an already corrupt system put in place by democratic party hacks and community organizers was taken over and supercharged by national level operatives to jeopardize the integrity of the election the key figure the mule a paid cut out a criminal deliveryman the stooge found at the intersection where election cheating and double dealing hit the road the mule is the crook who physically takes a sack of ballots provided by shady ngos and political machines the community activist organizations made famous by former president obama for instance and dumps those ballots in collection boxes throughout a voting district do enough of this and you have planted voter fraud across a nation documentary filmmaker extraordinaire and bestselling author of america death of a nation and united states of socialism dinesh d souza exposes powerful evidence of the colossal voting racketeering that you were told didn t exist here you will find the receipts the transcripts and confirmatory details for the facts establishing 2020 election fraud presented in d souza s major motion picture documentary 2 000 mules d souza makes a powerful argument that 2020 was a stolen election more important d souza proves it

a national cochair of the presidential campaign of barack obama when few thought he could ever be elected congresswoman jan schakowsky is here to tell you yes you can and the book she recommends for candidates campaign staff volunteers and citizens is winning elections in the 21st century a handbook for anyone who wants to know how campaigns are run and won today written

by longtime political veterans both former elected officials winning elections is steeped in old fashioned political know how and savvy about the latest campaign techniques methods and strategies using social media vote analytics small donor online fundraising and increasingly sophisticated microtargeting using examples from across the united states the authors discuss the nuts and bolts of state and local races as well as best practices in national elections a successful campaign they assert and evidence confirms merges the new technology with proven techniques from the past and their book helps candidates students and citizens consider all the opportunities and challenges that these tools provide never losing sight of the critical role that personal contact plays in getting voters to the polls at the heart of this book is the conviction that we need to win democracy along with elections accordingly simpson and o shaughnessy write primarily about campaigns in which the maximum number of citizens participate as opposed to those determined by a few wealthy individuals and interest groups people power can prevail with the right candidates issues and support and winning elections in the 21st century shows how

a collection of previously printed accounts revealing past happenings for the most part on those properties now owned by the state of ohio at the village of put in bay on south bass island these articles printed here from their original source appeared as early as 150 years ago in newspapers published in sandusky ohio

vols for 1932 33 1941 56 include the proceedings of the annual meetings of the association s various regional sections

winning the net game shows business owners and managers how they can effectively use the internet to succeed in a fast changing competitive landscape

discusses the dreams the excitement and the risk of space exploration
