because scripture tells us clearly that god is love 1 john 4 8 we know that god by very nature is relational love is an action emotion state and characteristic that requires interaction with another being love does not exist alone scripture also tells us that we have been created in god s image genesis 1 27 we were created to love him in return though loving him will never

be forced upon us because love isn't selfish it is this line of thinking that leads me to the belief that the meaning of life is to learn how to love and then teach others considering that our great commission matthew 28 19 20 is to go throughout the world and teach others about our heavenly father's commands such as love god and love others matthew 22 37 39 we must learn first what love is who he is every relationship we form gives us the opportunity to learn a bit more about his character in order to have a better understanding of who he really is marriage family friends neighbors and even enemies can teach us much about who god is and who god isn't this book examines multiple relationships we experience and what valuable information we can gather from those relationships about the character of love which is to say the character of god it's about learning to be unselfish in a selfish world

it is all about love is the result of years of study much prayer and research into god and his word many differing opinions exist concerning who god is as well as the significance of his covenant the purpose of this book is to provide clear evidence from scripture that the entire covenant from its earliest expressions to its final fulfillment is nothing less than god's effort to restore and protect his creation beginning in genesis the covenant is examined to reveal its true purpose as well as humanities relationship to it aspects of the covenant that have been misunderstood by some will become clear as by the light of god's word they reveal the promised seed prophesied from the beginning to crush the serpent's head and ultimately restore us back to the image of god and earth back to the garden god created it to be the covenant reveals god as he is the fullness of true love the covenant unmasked in the light of god's word reveals jesus as the fullness of the covenant from that tree in the midst of that first garden to the covenant's festivals feasts sacrifices and even the tabernacle erected in the wilderness a clear picture develops of god's love and desire to save and restore us to himself every portion of the covenant is a revelation of jesus christ and his love it is all about love

for god so loved the world that he gave his only begotten son that whosoever believes in him should not perish but have everlasting life john 3 16 this is one of the greatest words ever spoken on this planet to the specie called man since creation this utterance was made by god's son jesus christ to all men millennia ago this profound statement and the consummation and fulfillment of it has led to the salvation of billions of fallen men afterward god created man in his image and likeness with a divine purpose in mind but the devil called satan deceived man to disobey god and this led to the fall of man from the grace and presence of god man lost god's glory and fell and since then god has been looking for a way to save mankind he wants to save men because the scriptures reveal that he loves men this love motivated him god to send his only begotten son jesus christ to come from heaven to earth taking the form of men and availing himself even unto his death on the cross of calvary to redeem mankind this singular act of god was done through his love for mankind and since then many have been trying to look into what is in that love well thank god he has made available much knowledge

or information about this love to us in the bible to find out and walk therein yet it is noteworthy to know that many out of ignorance have misconstrued this love for what it is not and maligned out of ignorance also what it really stands for or entails many a literature has been written on this subject of god s love to correct the misconceptions and so this book is also targeted at unveiling some of the realities or truths about this love of god this book is zoomed in specifically to reveal what jesus death and resurrection which was precipitated by god s love covers it s meant to remove the veil off the love of god that brought redemption and salvation to mankind this love is captured in the message of the cross so let s open it up and see what s in it and what is not in it god intends for men to have his fulness in themselves and this can only be attained by revelational knowledge and true acknowledgement of what god s love really is ephesians 3 19 and to know the love of christ which passeth knowledge that ye might be filled with all the fullness of god

this stirring book urges believers to realize that everyone is responsible to reach the lost and that everyone can have the power to do all that god has asked them to do
