this book is a comparative study in the hermeneutics of the
ancient interpretations of the biblical joseph story assuming that
every interpretation results from a creative encounter between the
ultimately open text of scripture and the specific thought world
of the interpreter it examines the particular way in which each
exegete construes the biblical outline of joseph s character
paying special attention to the literary nature of the sources the
study begins with an analysis of the narrative methods and the
hermeneutic potential of the biblical story and then proceeds to
the inter testamental evidence the central concern of this study
is to compare the different interpretations of the philosopher
philo the historian josephus and the midrash genesis rabbah these
sources do not only range over a considerable amount of time but
significantly derive respectively from the greek and hebrew
cultural realm consequently their figures of joseph fulfil
distinctly different purposes ranging from an idealisation of
joseph as a hellenistic politician to autobiographical apologetics
and religious instruction

genesis 1 opens with in the beginning god all life starts with him
he wants total access to our souls to dwell near us to meet with
us and until we come face to face with him we can t experience a
saving relationship with the lord once we gaze upon jesus we will
automatically stop drop and shine bringing the light to others as
paul says in philippians 2 15 as believers become readers of the
word of god the bible they also become bringers of the light of
christ in their daily lives are you ready to get fire hosed with
living water as that water washes your heart the world will see
you shining like the stars in the universe steeped in scripture
overflowing with life application and written with passion word
reader light bringer will challenge christ followers to seize the
power that comes to them through the holy spirit and shine the
light of christ to a watching world

inside the covers of this book you will find the real scriptures of the christian churches many church leaders know that other christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books it isnt in the canon of scripture formed of course by the early catholic church at various stages and councils from the fourth century a d therefore no one has the right to change what is in the canon of scripture and the catholic church changed it in their councils not in agreement of other christians but to hide their offence at the words of god they would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the catholic church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of scripture over many centuries they will not consider the canons of orthodox churches or others because they vary in different regions of the world so is european christianity based in the vatican city right about all its holy scriptures while everyone elses church scriptures are false scriptures ethiopia it seems got most books of scripture right even with their translation into an ancient language
