here is an accessible informative and highly illustrated book that offers a fresh view of butterflies in the east coast states from the atlantic seaboard to the appalachians in addition to providing a wealth of facts and photos the book is the first to furnish detailed and up to date photo illustrated information on the host plants favored by particular species with 234 full page species accounts and accompanying range maps plus more than 950 large size color photos it is an essential reference work for field observers gardeners educators and conservation managers or anyone interested in appreciating the lepidopteran world close at hand the introductory chapters detail the subtle ecology of the east coast region establishing a consistent ecological framework that enriches the individual species accounts there is also an overview of current scientific literature and observational findings to help readers better interpret complex butterfly behaviors in the field including seasonal

movements host plant and diapause strategies defensive chemistry and more the book is written by rick cech a seasoned field observer who has spent years studying and photographing east coast butterflies his substantial first hand experience with both the common and rare species in the region adds much depth and new insight to the commentary 234 full page species accounts and accompanying range maps 950 large size color photos 215 photos of individual host plants and habitats 735 high quality photos of butterflies and caterpillars introductory chapters detailing the subtle ecology of the east coast region an overview of current scientific literature and observational findings descriptions of diapause and host plant strategies and defensive chemistry user friendly with clear concise text

northern china 1899 as the boxer rebellion erupts a cast of innocents fanatics sinners and lovers are drawn to the palace of heavenly pleasure an infamous brothel that overlooks an execution ground where the fury of the east will meet the ideals of the west and all will face their destiny adam williams s first novel is a historical tour de force and a triumphant return to traditional storytelling on a truly grand scale

this edited volume contains an excellent collection of contributions and presents various informative topics under the central theme literary and translation approaches to china s greatest classical novel hongloumeng acclaimed as one of the four great classical novels of chinese literature hongloumeng known in english as the dream of the red chamber or the story of the stone epitomizes 18th century chinese social and cultural life owing to its kaleidoscopic description of chinese life and culture the novel has also exerted a significant impact on world literature its various translations either full length or abridged have been widely read by an international audience the contributors to this volume provide a renewed perspective into hongloumeng studies by bringing together scholarship in the fields of literary and translation studies specifically the use of corpora in the framework of digital humanities in a number of chapters helps re address many issues of the novel and its translations from an innovative angle the book is an insightful resource for both scholars of chinese literature and for linguists with a focus on translation studies

the human spirit seems incapable of being stagnant ever pushing the boundaries of knowledge and experience we try to understand life through questions regarding our own existence the nature of the universe and the nature of god the question of our collective heart is the external manifestation of an internal longing a quest if you will this thirst to understand reality can be seen in superstructures that are scientific social political and especially religious when considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities these aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood using a unique framework of analysis this book explores christ s relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades christ nor demeans other saviors christ is not part of the human quest but is well equipped to satisfy that quest

in the vast universe there were tens of thousands of races constantly battling throughout history countless races have risen and declined at the edge of the universe in the star domain there was a star covered by an array formation its name was jiu xiao and it was the last pure land of humanity s cultivation civilization a impoverished youth with a chivalrous dream coincidentally came to the nine nether continent through the starry sky and began a miraculous journey that could make one cry close
