how do people sense god s presence in created things seeing god everywhere is an anthology of essays on nature and the sacred which address that question written by an impressive list of spiritual leaders and thinkers these essays explore the question from many different perspectives reading these essays enriches our inner lives and enlivens our contemplative imaginations surely this is the

deepest ecology possible as a special bonus at the end of each essay is a short poem on nature and the sacred taken from various traditions

in seeing children seeing god pamela couture explores the actual and potential relation of the church and the theological school to economically and socially relationally poor children she argues that the solution to the problem of child poverty requires the shared responsibility of individuals families neighborhoods congregations governments businesses and international organizations because children develop within these multiple systems with their unique access to these multiple systems churches and theological schools are in a wonderful position to transform the social ecology within which children develop and to assist in children s flourishing concretely what would it mean for the caring ministries of the church and those who teach and learn about them in seminary to make the issue of children and poverty central to what we do how would this change the way we live pamela couture argues from a wesleyan perspective that caring for poor children is a means of grace a grace that deepens our experience as the adopted children of god she draws explicitly on recent writings that have updated the wesleyan theological tradition seeing children seeing god will be of particular interest to everyone who is concerned about children and poverty especially from a wesleyan perspective key features brief and accessible offers a constructive theologically sound response to the problem of children and poverty recognizes and shares responsibility for solutions across society but especially with the church and the seminary key benefits readers will understand the dynamics and extent of the problem of children living in poverty today readers will understand ways in which theology has undergirded efforts to deal with this problem in the past readers will understand and identify with the specifically christian imperative to respond to this problem readers will understand how various groups can contributed to a concerted effort to deal with the problem readers will understand how the church has failed to deal with this problem in the past

ibn al arabi is still known as the great sheik among the surviving sufi orders born in muslim spain he has become famous in the west as the greatest mystical thinker of islamic civilization he was a great philosopher theologian and poet william chittick takes a major step toward exposing the breadth and depth of ibn al arabi s vision the book offers his view of spiritual perfection and explains his theology ontology epistemology hermeneutics and soteriology the clear language unencumbered by methodological jargon makes it accessible to those familiar with other spiritual traditions while its scholarly precision will appeal to specialists beginning with a survey of ibn al arabi s major teachings the book gradually introduces the most important facets of his thought devoting attention to definitions of his basic terminology his teachings are illustrated with many translated passages introducing readers to fascinating byways of spiritual life that would not ordinarily be encountered in an account of a thinker s ideas ibn al arabi is allowed to describe in detail the visionary world from which his knowledge derives and to express his teachings in his own words more than 600 passages from his major work al futuhat al makkivva are translated here practically for the first time these alone provide twice the text of the fusus al hikam the exhaustive indexes make the work an invaluable reference tool for research in sufism and islamic thought in general

with continuing attention to constructivist theory and reflective practice this book offers a comprehensive realistic integrated approach to teaching english language arts to middle and secondary school learners in this fourth edition content has undergone major reorganization and chapters have been significantly rearranged individual chapters on specific language arts are linked through a common focus on the reality of the language arts classroom the responsibilities of the language arts teacher and the means to meet these responsibilities through thoughtful reflective holistic teaching for current and pre service middle and secondary school english teachers

drawing together scholars whose essays exhibit work after barth in engaging the doctrine of the trinity and its related themes barth s thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one it is this variety of responses to and interpretations of barth s theology that gives such vibrancy to the essays in this volume by seasoned barth scholars and voices new to the conversation

when leo xii promulgated aeterni patris in 1879 he stipulated that the leonine or official edition of the summa should always be printed in conjunction with cajetan s commentary for five hundred years they were studied together generations were trained by reading through the summa article by article with cajetan s commentaries in hand early printed editions of the summa typically included them in a talmudic arrangement as marginal text running around each article by aquinas this edition imitates that example recently serious thinkers of all denominations and none have found new reasons to be interested in st thomas his text is deceptively simple yet important issues are handled in every article sometimes below the surface cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the renaissance and the twentieth century the time is ripe for an analytically inspired translation of thomas hence this volume never until now has cajetan s commentary been put into english in its entirety william marshner s translation is consistent with fidelity to the technical force of the original the translator s footnotes acknowledge what empirical science has made obsolete in the work of st thomas and also make clear how much today s science would have saved thomas useless labor this volume will for the first time make cajetan s help available to the modern reader

the fiercer the competition to get into college the more schools require that students prove themselves in other ways than sat scores and grade point averages the more expensive college educations become the more students take advantage of the opportunity to test out offirst year college courses includes 2 sample tests with full explanations for all answers the princeton review s proven score raising skills and techniques complete subject review of all the material likely to show up on the ap english literature exam

contains ten essays that offer suggestions to teachers on how to teach reading in high school english classes addressing the varying needs for reading instruction among high school students

making the journey is a staple of secondary english methods courses and teacher libraries because it not only provides practical advice on what to do in the classroom and how to act but also offers a realistic but optimistic sense of what it means to embrace the practice of good teaching now trusted educator writer and researcher leila christenbury has returned with a remarkable new edition of her classic the third edition of making the journey will be both refreshingly new and satisfyingly familiar to those who ve come to rely on christenbury s wisdom and uncommon common sense every chapter has been revised and updated with new examples the latest research and stories from today s classrooms even more important christenbury has devoted new sections to discussing instructional and political topics crucial to the contemporary teacher including supporting english language learners developing students ability to write on demand meeting the challenge of high stakes standardized testing balancing depth of coverage with breadth in standards based curricular planning creating tests and other assessments that align with curricular goals and provide useful information for subsequent instruction engaging students reading interests through nontraditional real world genres like graphic novels teaching writing and media literacy through digital age innovations such as blogs and webquests navigating the politics of school while remaining an activist professional with the latest smartest strategies techniques and ideas as well as leila christenbury s trademark pragmatism and know how the third edition of making the journey will be an indispensable guide for anyone just starting their own journey into teaching or for anyone already on their way

this collection is an authoritative resource that draws on the knowledge and expertise of outstanding scholars and provides crucial information about research theory and practice related to secondary school literacy leading scholars along with newer researchers in literacy education address topics such as the impact of state and federal mandates on literacy instruction in secondary classrooms english language learners and online reading comprehension chapter authors include richard l allington donna e alvermann kathleen a hinchman robert t jiménez kevin m leander alfred w tatum and robert j tierney among others each chapter contains rich discussions of current research as well as practical classroom applications as one reviewer noted each and every chapter is well documented and presents clearly established implications for teaching tied to the latest research findings one of the major strengths of this edited volume lies in the way it points to a remarkable consistency across research findings representing a broad spectrum of disciplinary arenas this volume is a welcome addition for any teacher administrator or district looking to implement sound research based classroom practice and professional development
