the leading textbook on this subject introduction to business law is an ideal companion to law modules for business management and finance and accounting students its visual and practical approach will enable students to engage with the legal essentials required for success in study and a business career

entertainment law and business is a handy resource for both the experienced and novice practitioner it provides a broad survey of the entire industry and creative rights laws it includes incisive summaries of all of the important areas of creative rights law copyrights the protection of ideas trademark publicity and privacy and the major international treaties it also provides an overview of all the major fields of entertainment and related fields of interest for entertainment practitioners along with illustrative agreements this is not an esoteric academic treatise the book aims to aid the practitioner in the practical aspects of entertainment hence the authors have attempted to highlight the key features of the major agreements in each field they provide insights not only into what the individual provisions of the agreement attempts to regulate but also the concerns that lie behind those provisions they point to the types of negotiating strategies important in each agreement passing on their experience to the practitioner all of the accompanying sample forms and documents are conveniently included on cd rom in rtf rich text format rtf allows the user to open each sample clause for use editing in either microsoft word or corel wordperfect

it is rare for a book on intellectual property law to be both authoritative and engaging this is indeed the case with dr baer s incomparable work thorough deeply knowledgeable insightful packed with revealing examples from many jurisdictions presented with extraordinary scope and depth this book is divided into three parts the first deals with the justification and fabric of intellectual property ip law the second with international agreements in the field the author shows how domestic concepts have made their way into international agreements and vice versa the third part provides three mock trials or moot court competitions that highlight real life ip law fact patterns in a cordial yet competitive setting with detailed attention to every kind of ip right and the evolution of the law on each the author disentangles the complexities of ip law in such aspects as the following ip rights as lawful restrictions on the public domain contribution of ip rights to society justification and limits for individual ip rights concepts of intellectual property as expressed in the paris and berne conventions and the trips agreement rights conferred and infringing acts appropriate remedies international private law conflict of laws and international jurisdiction and ip and competition law the intricate relationship between ip law and such civil law concepts as property contracts tort and unjust enrichment is especially highlighted with its thorough guidance on both the concepts of ip law in general and on its specific fields and for its comprehensive description of the scope limits and enforcement of ip rights in the digital age practitioners will obtain a critical and systematic understanding of ip law and approach any ip case with a clear understanding of basic concepts and how to

apply them policymakers and academics in the field will greatly appreciate the book's eminently readable but penetrating clarification of the legal nature of IP rights

This book discusses legal education in multicultural classes. Comparative law education is now widespread throughout the world and there is a growing trend in developed countries toward teaching global law, providing theoretical answers on how to describe each legal culture and tradition side by side. It also explores educational methodological options to address these aspects without causing offence or provoking tension within a multicultural student community. The book examines nine countries on three continents, bringing together academic views and educational insights from ten scholars in the field of comparative law.
