the inspiration for the bestselling self help book the secret napoleon hill started it all from the author's preface long before i was born the secret had found its way into the possession of thomas a edison and he used it so intelligently that he became the world's leading inventor although he had but three months of schooling the secret was passed on to a business associate of mr edison he used it so effectively that although he was then making only 12 000 a year he accumulated a great fortune and retired from active business while still a young man you will find his story at the beginning of the first chapter it should convince you that riches are not beyond your reach that you can still be what you wish to be that money fame recognition and happiness can be had by all who are ready and determined to have these blessings how do i know these things you should have the answer before you finish this book you may find it in the very first chapter or on the last page

why write a new think and grow rich at first exposure the very idea of rewriting the greatest success classic of all time sounds like some fruit from california announcing he's rewritten the bible however looking at it correctly wouldn't it be amazing if a how to manual didn't need updating after 70 years of service what other body of knowledge and practice has not progressed dramatically in the intervening years can the science of personal achievement be any different so what kinds of changes can you expect certainly modern advances in neuro science motivation nlp and quantum reality make it easier to grasp the secret and have been included also those uncomfortable isms of an antique age have been eliminated you no longer have to be a white american male to achieve success thus the language quotes examples and stories include while retaining much of the familiar work women other races and nationalities more accessible for young people who need it most

this is a reprint of original 1937 think and grow rich by napoleon hill

this version of think and grow rich is a faithful reproduction of napoleon hill's 1937 monumental success classic think and grow rich no editorial comments no modifications straight as the master originally published it including capitalizations italics etc the essential message is that an intangible impulse of thought can be transmuted into its physical counterpart by the application of known principles hill p 4 in other words thinking can be converted into money truly thinking can be converted into any worthwhile accomplishment but think and grow rich treats specifically of money and make no mistake the secret is in this book the secret to which i refer has been mentioned no fewer than a hundred times throughout this book it has not been directly named for it seems to work more successfully when it is merely uncovered and left in sight where those who are ready and searching for it may pick it up hill p xv may you find it now

this book contains the blueprint that can truly change your life forever read and grow rich based on napoleon hill's famed law of success and the inspirational classic think and grow rich represents the principles used by great men of wealth and achievement andrew carnegie's formula for success was the direct inspiration for this book carnegie demonstrated its soundness when his coaching brought fortunes to the individuals he had disclosed his secret to success this book will teach you not only that secret but what to do and how to do it if you learn and apply the principles revealed here you will have mastered true and lasting success and you may have whatever you want in life

ever wondered how life would be if we could condition our minds to think and grow rich author napoleon hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune observing their habits their ways of working and the principles they followed hill put together laws and philosophies that can be practiced in everyday life to achieve all round success the narrative is rich with stories and anecdotes which not only inspire
