the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping promises

obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education

sometimes we need to be brave for big and scary things in far off places and sometimes we need to be brave for things that make us nervous in our daily lives when were you brave today

katie has gone from a little girl who used to climb trees ride bikes and go on adventures to an adult who worries about everything but now katie is a mum she must be brave in a whole new way determined that her young daughter will never lose the powerful fierce magic she arrived into the world with katie sets off on a mission with the help of a stolen bmx a policewoman with bad hair and a pigeon in a bag as she rides around newport to find what she s really made of by listening to the unheard voices of the city she begins to discover what the women who have gone before can teach her about how to be brave siân owen s one woman play is about what we are made of what we leave behind and learning to be brave when your world is falling apart

an important story for young readers about being courageous and self confident even when you re scared self confidence is something many children and adults struggle with many of us are afraid to try new things ask questions when we re confused and say no when everyone else wants us to say yes when children believe in themselves they re more likely to stand up to bullies and peer pressure their outlook on life is brighter they are happier overall in i can be brave young readers will meet a group of kids who have figured out a few things they like doing and after some trial and error and overcoming their fears are very proud of their individual accomplishments jumping off the diving board might be scary at first but successfully completing a dive is something to be proud of building a tree house can be fun even if you don t love being so far off the ground sometimes children may need a little boost of confidence or help from those around them to keep at it parents and friends can be encouraging by saying things like do you believe you can do it you can do it and let s try again sometimes as the children in i can be brave learn when they don t have enough confidence to do something alone like go down a giant slide they can muster the courage to do it anyway with a close friend at their side i can be brave

encourages young readers to invest time in new activities believe in themselves accept encouragement from others voice their insecurities and ask for help when they need it

less fear more fierce whatever challenges life sends your way you need to know and nurture your inner strength packed with inspiring affirmations and courageous quotations from those who have dared to be audacious this book will boost your self belief and empower you to be brave

silvie is imaginative kind and quietly brave but finding a friend isn't easy when you're always worried about making mistakes whether it's falling in mud splashing paint or tumbling off her bike silvie keeps trying even when the other kids laugh with her magical lapis lazuli stone in her pocket and her imagination leading the way silvie takes one brave step at a time until a surprising moment changes everything this heartwarming early chapter book gently explores friendship courage and self acceptance perfect for readers who are learning to be brave in their own way

in the late 1930s a number of american women especially those allied with various peace and isolationist groups protested against the nation's entry into world war ii while their story is fairly well known margaret paton walsh reveals a far less familiar story of women who fervently felt that american intervention was absolutely necessary paton walsh recounts how the united states became involved in the war but does so through the eyes of american women who faced it as a necessary evil covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women's organizations informal women's networks and even male dominated lobbying groups in the great debate over whether america should enter the war some women favored aid to the allies not because they hoped for war but because they hoped aid would forestall more direct u.s involvement but also because they believed war was preferable to a nazi victory paton walsh shows that this activism involved some of the most prominent women of their day elizabeth cutter morrow whose son in law charles lindbergh was an isolationist spokesman supported the revision of the neutrality acts to allow the sale of arms to the allies and expressed her support in a national radio broadcast soon other women joined this debate esther brunauer of the aaup journalist dorothy thompson and organizations like the league of women voters and national women's trade union league broke from the pacifist tradition to advocate american aid for the allied cause focusing on the conflict in europe paton walsh shows how these women grasped the implications of the lend lease program for america's entry into the war but supported it

nevertheless by late 1941 the women's division of the fight for freedom committee had been established no longer merely advocating aid to Britain to keep American boys out of battle this organization supported direct American involvement in the war as a means of stopping Nazi oppression while most historians have focused on women's pacifism Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs our war too is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace it expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war
