Transcultural Voices The Erasure of Arab Political Identity The Blizzard – The Football Quarterly: Issue Seventeen Schwann Opus Road Atlas: United States, Canada, and Mexico *Jaspal Naveel Singh Salam Hawa Jonathan Wilson Rand McNally and Company*

this book presents the narratives and voices of young mostly male practitioners of hip hop culture in delhi india the author suggests that practitioners understand hip hop as both a thing that can be appropriated and authenticated made real in the local and global context and as a way that enables them to transform their lives and futures in the rapidly globalising urban environments of delhi the dancers artists musicians and cultural theorists that feature in this book construct a multitude of voices in their narratives to formulate their own transcultural voices within global hip hop through a combination of linguistic ethnography sociolinguistics and discourse studies the book addresses issues including gender and sexuality identity construction and global culture

this book explores the long history of the evolution of arab political identity which predates the time of the prophet muhammad and is characterized by tolerance compassion generosity hospitality self control correct behaviour equality and consensus the

author argues that present day struggles in many arab countries to redefine polities and politics are related to the fact that the underlying political culture of the arabs has been overridden for centuries by successive political regimes which have deviated from the original political culture that the prophet adhered to the book outlines the political culture that existed before islam examines how the conquests and the rule of the early dynasties umayyad and abbasid of the islamic world found it necessary to override it and analyses the effect of rule by non arabs successively mamluks ottoman turks and western colonial powers it discusses the impact of these distortions on present day politics in the arab world and concludes by appealing for a reawakening of and respect for the cultural elements underlying the origins of arab political identity
