the problem solvers are an exceptional series of books that are thorough
unusually well organized and structured in such a way that they can be
used with any text no other series of study and solution guides has come
close to the problem solvers in usefulness quality and effectiveness
educators consider the problem solvers the most effective series of study
aids on the market students regard them as most helpful for their school
work and studies with these books students do not merely memorize the
subject matter they really get to understand it each problem solver is over 1
000 pages yet each saves hours of time in studying and finding solutions to
problems these solutions are worked out in step by step detail thoroughly
and clearly each book is fully indexed for locating specific problems rapidly
