buss has penned the authorized biography of dr james dobson family advocate and founder of focus on the family motivation

the first full length study of a pivotal figure in american evangelical faith james dobson child psychologist author radio personality and founder of the christian conservative organization focus on the family published his first book dare to discipline in 1970 and quickly became the go to family expert for evangelical parents across the united states as american evangelicalism rose as a major political force the family expert became a leading voice in the reagan revolution and played a role in making american evangelicals even more firmly associated with the republican party dobson s principle beliefs are that the family is the center of christian america and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools dobson and focus on the family dominated christian media through print radio and online venues and their message reached millions of american evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s family matters james dobson and focus on the family s crusade for the christian home by hilde lövdal stephens is an insightful history and analysis of james dobson s rise to fame effect on american evangelical culture and subsequent descent from relevance stephens scoured through dobson s books articles and other materials published by focus on the family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world by contextualizing the history of dobson s

reign lvdal stephens s discerning analysis fills an important gap in our understanding politics and culture of late twentieth century conservative christianity in the united states she explores complex topics ranging from dobson s celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways dobson and focus on the family balanced their basic ideals with real everyday lives of average american evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

compiles three previously published works that discuss the author s approach to parenting strategies for disciplining difficult children and tips for dealing with the problems that children face

monthly current affairs magazine from a christian perspective with a focus on politics society economics and culture

nason clark s sociological research reveals how churches and secular organizations have responded sometimes with assistance sometimes not to victims of violence in their midst and how their response could be more effective by exploring the relationship between violence and christians response to it from various perspectives those of victim clergy congregation this book ultimately encourages a pastoral assistance that reduces violence in the world and helps victims find the inner strength to leave their gardens

there are two narratives of the american class structure one of a country with boundless opportunities for upward mobility and one of a rigid class system in which the rich stay rich while the poor stay poor each of these narratives holds some truth but each overlooks another in privilege lost jessi streib traces the lives of over 100 youth born into the upper middle class following them for over ten years as they transition from teens to young adults streib examines who falls from the upper middle class how and why don t they see it coming in doing so she reveals the patterned ways that individuals resources and identities push them onto mobility paths and the complicated choices youth make between staying true to themselves and staying in their class position engaging and eye opening privilege lost brings to life the stories of the downwardly mobile and highlights what they reveal about class privilege and american family life

there is a deceptive movement to take over the government courts education system media outlets and american culture with stealth and it s true how is this possible find out in the pages of this expose written by an insider who left the religious right fold and now shares why they believe they are mandated to have dominion over every aspect of life in the united states it reveals how their vision for america is not a democracy at all understand the religious right network s blueprint for america meet the christian reconstructionists and dominionists understand the seven mountains mandate which provides the strategy for a successful takeover see why quiverfull is the template for a proper traditional family finally understand the attacks on public schools and teachers find out who the leaders of the movement really are and their successful tactics this book explains the rewriting of our nation s history complete with interviews research and bibliography included presentation is organized and systematic while in plain english shares

how to get involved and make a difference in your community to protect your rights and preserve democracy

back cover detailing the far right s attempts to alter the american political and economic landscape to satisfy its national ambitions a murder of crows identifies over 100 people and organizations who would seek to turn back america to a time of little governmental participation lower tax rates for the wealthy and a closely held corporate and personal control of society s functions and finances it exposes the real desires and naked zeal of those who would place property rights over the rights and the needs of the average american citizen the text is well documented and provides a scathing indictment of those on the right who would wish to alter america s future to serve only a very prosperous few

an essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent american history politics and culture what makes evangelical or born again christians different from those who identify themselves more simply as christian what percentage of americans believe in the rapture how are evangelicalism and baptism similar what is the influence of evangelical religions on u s politics readers of evangelical america an encyclopedia of contemporary american religious culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in american society and culture it also illustrates the evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality

based on interviews with gay and lesbian clergy dann hazel constructs a mosaic depicting the ministry of gays and lesbians across the denominational spectrum he poignantly describes the personal challenges these clergy face in their efforts to do constructive work in theology in order to build faith communities where gay men and lesbians can flourish spiritually

the christian right is arguably the most significant social movement in the united states today in recent years these religious conservatives have loudly protested a public education system they believe no longer represents their interests or values educators often dismiss critiques based on religious values as irrational or flimsy failing to appreciate the coherence of these criticisms from the christian right s own perspective while the christian right has become ever more sophisticated in its lobbying and powerful in its influence educators and parents find themselves lacking the background knowledge necessary to respond effectively to its efforts standing on the premises of god speaks directly to this dilemma explaining current incarnations of the christian right its leadership its intellectual and theological foundations and its tactics so that those interested in the debates over education will be better prepared to engage them constructively taking the novel approach of framing the christian right as a revitalization movement detwiler shows how it seeks to effect cultural transformation in order to bring public education and our society more generally in line with its worldview his theoretical model provides insights into why education is so pivotal to the christian right and also assesses the religious viability of the christian right as a social movement

contemporary artists writers and theorists challenge standard interpretations of family

why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith exploring intellectual authority within evangelicalism the authors reveal how the concept of anointing being chosen by god to speak for him established a conservative evangelical leadership isolated from secular arts and sciences

erzen is sensitive savvy and provocative her mastery of historical sources ethnographic technique and accessible writing style are evident throughout she illuminates aspects of conservative christianity central to the culture wars deepening our understanding of the movement s internal struggles over sexuality gender and family issues erzen has written a wonderful book diane winston author of red hot and righteous the urban religion of the salvation army tanya erzen s wonderful and timely book provides us with a compelling cultural history of the christian right in the post war period from the cold war to family and sexual politics as well as remarkable ethnographic insight into the dynamics of exodus international with compassion humor and insight erzen takes the reader through the ideological organizational and daily practices used in efforts to change people s theological and sexual orientations from self help to conversion testimony faye ginsburg professor of anthropology new york university author of contested lives

kuypers charts the potential effects the printed presses and broadcast media have upon the messages of political and social leaders when they discuss controversial issues examining over 800 press reports on race and homosexuality from 116 different newspapers kuypers meticulously documents a liberal political bias in mainstream news this book asserts that such a bias hurts the democratic process by ignoring non mainstream left positions and vilifying many moderate and most right leaning positions leaving only a narrow brand of liberal thought supported by the mainstream press this book argues that the mainstream press in america is an anti democratic institution by comparatively analyzing press reports as well as the events that occasioned the coverage kuypers paints a detailed picture of the politics of the american press he advances four distinct reportorial practices that inject bias into reporting offering perspectives of particular interest to scholars students and others involved with mass communication journalism and politics in the united states

this book was originally intended to be a 3 volume set or trilogy but has been shortened to single volume and edited for publication as a single title not afraid to tell the truth which could be subtitled exposing the conspiracy of silence in the last days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of gods word which the author believes have become confused by western christian wrong thinking preaching and practice in the last days of the church age false teachers and heretical teachings have crept into the church unawares bringing with it a form of captivity similar to the captivity of the nation israel but with far graver consequences

this book provides a thorough introduction to historical and contemporary issues in american religion tackling controversial hot button topics such as abortion intelligent design and scientology surveying key aspects of the controversial issues persons and religious groups of today encyclopedia of religious controversies in the united states second edition is a thorough

update and expansion of the first edition of this book this two volume work contains many new entries that reflect current 21st century religious controversies written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events the a z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues
