Questions which help you to make connections between topics and get you reflecting on your own childhood. Engaging learning features including chapter aims, boxed sections, summaries and further reading suggestions.

a major new insight into the difficulties of raising boys and how parents can help their sons fulfil their potential. From the author of toxic childhood, what's happening to boys at home, they sprawl before a flickering screen, lost in a solitary, sedentary fantasy world. At school, the choice of role seems limited to nerd or thug. Bullied or bullying by the time they reach their teens, the chances of depression, self-harm, drug or alcohol abuse grow each year. Raising boys has never been more difficult for the sake of their sons. Parents need to know the facts about how boys develop and how best to protect them from the damaging effects of modern life. Sue palmer assesses the issues currently confronting boys from birth to when they leave school and explains how we can all help to ensure they emerge as healthy, normal adults based on the latest research from around the world. 21st century boys provides parents, teachers and others with a clear pathway to bringing up boys.

this accessible and engaging revision guide has been carefully revised and updated to reflect the latest social changes designed to complement the revised edition student book. From illuminate it supports students preparing for their wjec eduqas gcse sociology assessment. Written by experienced teachers and examiners, it retains the popular spread-based approach of the first edition with just the right amount of detail helping students get straight to the point. It includes new social contexts to reflect recent developments with new real life examples of sociological ideas. It contains up to date statistics and information, up to date information about the exam components including new practice questions and completely new model answers. It includes detailed exam advice with hints and tips offered throughout to help students develop the skills needed for the exam. It makes explicit the three skills required by students across both papers. It delivers ideas for ao3 evaluation ensuring that students know what they need to achieve the highest grades and covers the ao1 knowledge and understanding and encourages students to apply their knowledge as required for ao2 application.

the oxford handbook of new religious movements both covers the current state of the field and breaks new ground. Its contributors drawn from both sociology and religious studies are leading figures in the study of nrms.

the protection of children today is as challenging as ever as changes in society and the way we live our lives lead to new forms of exploitation and abuse. This book scrutinises emerging threats to the well-being of children, gathering together incisive critiques from leading experts from a range of disciplines.
